FADE UP ON:

THE MARVEL LOGO.

DEADPOOL (V.O.)

That logo music just gets you
pumped, right? Oh sorry, I'm just--
I'm excited to be here. It's been a
while.

EXT. NORTH DAKOTA - WILDERNESS - DAY

1

Somewhere, more like NOWHERE...

But let's be honest, we all know where. As darkness lifts...
The iconic notes from "ONLY YOU" by The Platters are all
around us as images slowly come into view...

Grey clouds fill the sky. Lazy snowflakes flutter down onto a
light dusting of fresh snow covering the landscape.

We track low. Following familiar (but different) black and
red boots as they crush earth below. The hilt of familiar
(but different) swords glint in the winter light. This lone
red-suited figure is on a mission. The montage of tight
vignettes continue as a familiar voice welcomes us:

DEADPOOL (V.O.)

You, know for a long time I wasn't
sure I'd ever be back. Disney
bought Fox. There was a whole
boring rights issue, blahbity-
blahbity-blah. But then it turned
out they wanted me. The one guy who
shouldn't even have his own movie,
much less a franchise. Marvel's so
stupid. Look, we all saw the
trailer. We know the title of this
thing, so I know what you're
wondering. How are we going to do
this without dishonoring Logan's
memory? And I'll tell you how...

2

EXT. NORTH DAKOTA - GRAVESITE - DAY

2

CLOSE ON: A familiar makeshift wooden CRUCIFIX, turned forty-
five degrees to form an 'X.'

DEADPOOL (V.O.)

...We're not.

The camera slowly drifts back from the iconic 'X', widening
to reveal an "I LIKE ME" MUG perched atop a rock.

(CONTINUED)

Wider still now, we see chunks of dirt being flung up and out of a hole in the ground, never seeing the source of the earthen projectiles, just the metronomic sound of spade impaling earth.

DEADPOOL (V.O.)

I'm going to let you in on a little secret. Wolverine is not dead. Sure, it made for a perfect ending to a very sad story. But that's not how regenerative healing factors work. You think I want to be out here in Butt-Fuck North Dakota digging up the one and only Wolverine? No thank you. But the fate of my entire world is at stake. He may not be living his best life, but he sure as hell ain't dead.

SHUNK.

The sound STOPS as contact is made. Contact with...something.

DEADPOOL (O.C.)

Well, there you are. Yes, yes, yes, yes.

The grave-robber stands upright for the first time, revealing:

DEADPOOL

Standing waist deep in a hole of his making. His suit is new. Bespoke. He pokes around with the tip of his beat-up old shovel, confirming something is under there. He vanishes down into the hole again, furiously clearing the last layer of earth. Fistfuls of dirt and roots go flying.

Below the frame, the sound of Deadpool's digging stops as we sense he's found what he came looking for and it's... disappointing.

DEADPOOL (CONT'D)

Come on. Son of a bitch. AGHH
MOTHER-FUCKER-- MY WORLD IS FUCKED.

Deadpool throws a mini-tantrum, punching the air, knocking over the pile of dirt. Smashing the 'X' with a home-run swing of his shovel. Breaking the shovel across his thigh and tossing the parts into the hole, only to have the metallic shovel-tip come bouncing right up and out back at him. Finally exhausted, Deadpool stands upright, spins, and falls backwards right into the hole and out of sight.

3 **OMITTED** (MERGED INTO SCENE 4)

3

4 **EXT. NORTH DAKOTA - LOG NEAR GRAVESITE - DAY**

4

We see Deadpool sitting. Talking. As we continue to drift slowly past, we reveal Logan sitting beside him. They are sitting against the very same tree where Logan died in LOGAN.

DEADPOOL

*

That was weird. I'm much calmer now. Look, I'm not a man of science, but you seem incredibly passed away.

*

(sighs)

*

But it's good to see ya.

The adamantium skeleton is seated in a casual pose. Legs folded elegantly like Cary Grant at a dinner party. If Logan wasn't completely decayed and held together by A FEW rotting tendons, it would look like two dudes hanging out in the woods.

DEADPOOL (CONT'D)

I've gotta be honest. I've always wanted to ride with you, Log'. You and me, getting into it. Deadpool and Wolverine just fucking shit up. Can you imagine the fun? The chaos? The residuals?

(in Australian accent)

G'day mate. There's nothing that'll bring me back to life faster than a big bag of Marvel cash.

(without accent)

Me too, Hugh. But no. No, no, no. You had to get all noble and die for real. Goddamnit, I could really use your help right now--

The words are no sooner out of Deadpool's mouth than the air nearby begins to glow and shimmer.

WIDE ANGLE.

A TIME DOOR APPEARS AND OPENS.

Out floods an army of MASKED MINUTEMEN from the TIME VARIANCE AUTHORITY (TVA). Upgraded since we last saw them in 'Loki.'

FULLY ARMORED and WIELDING TIMESTICKS. Ready for action.

The Minutemen take an aggressive posture. We see Deadpool pop his head out like a gopher from behind the hill. He disappears down below and yells from behind the knoll:

(CONTINUED)

DEADPOOL (O.C.) (CONT'D)

WAIT! I'm warning you! I'm not alone.

UNMASKED MINUTEMAN

Wade Winston Wilson! You are under arrest by the Time Variance Authority for too many crimes to list. Come out and we'll give you the courtesy of taking you in one piece.

DEADPOOL

Ughhhh, death by day-player.

UNMASKED MINUTEMAN

Last chance: Throw out your weapons and come out peacefully.

DEADPOOL

(calling to Minutemen)

I'm not gonna give you my weapons.

(beat)

But I *promise* not to use them.

Deadpool turns to camera and addresses us directly.

DEADPOOL (CONT'D)

There are 206 bones in the human body. 207 if I'm watching Gossip Girl.

Deadpool HIGH-FIVES LOGAN'S SKELETAL HAND. Whispers:

DEADPOOL (CONT'D)

Here we go. Maximum Effort.

Music CUE: NSync, "Bye, Bye, Bye".

What happens next, happens FAST:

Deadpool flies out from behind the dirt pile. Holding Logan's skeleton by the neck.

DEADPOOL

Okay, Peanut. Guess we're getting that team up after all.

Deadpool lands as MINUTEMEN move in on him. Deadpool looks like a fuckin' god of war. With one jerk of his hand, Deadpool snaps off one of WOLVERINE'S ADAMANTIUM RIB BONES.

(CONTINUED)

He throws it violently toward an approaching soldier. We track it through the air and see it's engraved with "**The Marvel Cinematic Universe Presents.**"

Every few strikes we speed-ramp down so we can read the various bones entering bodies of screaming Minutemen. An adamantium tibia breaks through a chest plate. As it disappears into his body, we read, "**A film by Shawn Levy**". Yup... Wolverine's bones and the carnage they wreak are also OUR OPENING CREDITS.

...Then the THIGH-BONES, which have SHIN-BONES attached via the cadaver's TENDONS. We ramp down and zoom in to see: **Starring Mr. HUGH JACKMAN** and so on...

Deadpool channels Bruce Lee, swinging the thigh/shin combos around him like perfect makeshift NUNCHUCKS, mowing down Minutemen like balsa wood: BOOM! CRACK! WHACK!

HELMETS go flying. RIBCAGES get cracked. FOREARMS suffer COMPOUND FRACTURES.

Deadpool CHOKES a guy with the tendon connecting the two bigger BONES, squeezing so hard the guy's skull pops clean OFF.

Next, Deadpool starts ripping remaining RIBS off Logan's body and THROWING/STABBING them into guys. **MORE CREDITS** left and right. Men fly everywhere, gutted, leaking.

Deadpool kicks a skeleton head.

*

DEADPOOL (CONT'D)

*

Mullin! I'm outside the box.

*

Deadpool finishes with the ribs, then grabs both CLAVICLES.

The clavicles PIERCE men's joints and soft tissue. **MORE CREDITS.**

Deadpool turns toward an onrushing MINUTEMAN. DP wields Logan's PELVIS to block the timestick-wielding Minuteman, wrenching his arm right back and making him PRUNE HIMSELF right out of existence.

Deadpool grabs Wolverine's leg.

DEADPOOL (CONT'D)

Come on, big fella.

As more Minutemen rush in, Deadpool reaches for...

...you guessed it...

(CONTINUED)

5

(CONTINUED) (2)

5

...Wolverine's FOREARMS.

He widens the bone structure of the forearms and slides both arms into them like elbow length adamantium gloves. As a gaggle of Minutemen approach, Deadpool touches the forearm tendon...

SHNIKT.

Oooooohhhhhh yeah. CLAWS POP and we widen now to reveal Deadpool standing, backlit, hunched over. WOLVERINE'S CLAWS PROTRUDE menacingly from Deadpool's clenched fists.

DEADPOOL (CONT'D)

(to camera)

I am soaking wet right now.

Deadpool roars like a FUCKING ANIMAL... FREEZE the ACTION.

DEADPOOL (V.O.)

To be clear, I'm not proud of any of this. The wanton violence. The whiff of necrophilia. It isn't who I am. It isn't who I want to be. Who I want to be, well, to help you understand that, I've gotta take you back. To a simpler time.

FLASHBACKS take us back in time to...

6

INT. OFFICE - DAY

6

CLOSE ON A DESK CALENDAR. It reads MARCH, 2018.

*

A CHYRON: "EARTH-616."

*

DEADPOOL (V.O)

I can't believe I'm finally here.
I've waited for this moment for so long.

INSERT: ECU of WADE nervously tapping his thigh. We see CABLE'S TIME WATCH on his WRIST.

REVEAL: Wade Wilson. No mask, hoodie. **The room is LITTERED with BUSTER KEATON'S POSSESSIONS. His ICONIC MASK. AWARDS. Elegance.**

WADE

Thank you, sir. For seeing me. I firmly believe that my services could be of great use to your organization.

(CONTINUED)

WADE (CONT'D)

Now, I know I was caught
"Smashturbating" in the lobby of
Stark Towers but I can assure you--

We finally flip the camera around and reveal the one and
only: **HAROLD LLOYD**, sitting behind the desk.

HAROLD LLOYD

Smashturb-- I'm sorry. What was
that?

WADE

Oh. No, I'm sorry. That's when you
get those toy Hulk Hands, right,
and then you just look down, and
you just-- you brace yourself, and
you ravage the midsection--

HAROLD LLOYD

I get it, okay. Thank you. The
picture's painted.

WADE

You get the gist.

Wade shifts uncomfortably. This ain't going well.

HAROLD LLOYD

What exactly brings you here today?

WADE

Why am I--? Wow... Okay. I care...I
know I turn everything into a joke,
but I care, and I want to use that
feeling for something important. I
want to matter. And to show my girl
that I matter. And...

Wade looks behind him.

WADE (CONT'D)

I feel like I'm wasting the good
stuff here... is the Man not gonna
be joining us?

HAROLD LLOYD

The Man?

WADE

Yeah. I should save this if he's
gonna--

(CONTINUED)

HAROLD LLOYD

As far as you're concerned right now, I'm the Man...

WADE

No.

HAROLD LLOYD

The Man is me. I am the Man in this circumstance. He doesn't do this kind of thing anymore.

WADE

Cameos?

HAROLD LLOYD (CONT'D)

...Meetings. Entry level meetings.

WADE (CONT'D)

Entry level? Aren't you the Chauffeur, maybe...?

*

HAROLD LLOYD

A common misconception. I did begin my career as Mr. Keaton's driver.

WADE

Chauffeur.

HAROLD LLOYD

But quickly pivoted to the head of security.

WADE

The head of-- yes, yes, yes.

HAROLD LLOYD

...And why I am vetting your resume.

*

(pivots)

You seem to have left out whether or not you had any experience as a member of a team. Could you maybe add a little bit of perspective there?

WADE

Oh no, yes. Of course. I was Special Forces, but mainly I was team leader -- founder, really -- of X-Force. Sadly, they all perished in action.

*

Harold writes in a FILE.

(CONTINUED)

HAROLD LLOYD

How exactly did that happen?

WADE

Well, the police say "gravity" but just between us they didn't test well in the focus group, mainly because of Cable.

HAROLD LLOYD

I see.

Harold makes another note in his file. Wade senses it is not a good note.

WADE

Whoa, oh oh! I can see this isn't going well. Please stop writing. I just... Look...

Wade's eyes are wet with a burning sense of desperation.

WADE (CONT'D)

(swallows hard)

...I wanna be an Avenger.

Harold is taken aback. Puts down the pen.

WADE (CONT'D)

(emotional)

I want to be an Avenger.

HAROLD LLOYD

Why do you want to be an Avenger?

WADE

Because look around you. They're the best of the best. And what they do matters. I need to be an Avenger. Sir, my girl has kind of had it with my shtick. And if I don't turn things around and do something with my gifts, I don't think it's really going to work out for me, and I wouldn't blame her.

*

A beat. Harold consults Wade's file.

*

HAROLD LLOYD

Avengers are a very unique group of superheroes that stand for something more than just fighting and wearing costumes.

*

*

(CONTINUED)

HAROLD LLOYD (CONT'D)

I mean, people look up to us. *Kids* look up to us.

WADE

I'm sorry, us? I wasn't aware that you were an Avenger...

HAROLD LLOYD

Avengers-adjacent, technically--

WADE

Oh wow, what's your superpower? Is it parallel parking? I'm so sorry. That was cruel. I lash out when I'm nervous. It won't happen again.

HAROLD LLOYD

Let's cut to the chase.

WADE

Please.

HAROLD LLOYD

You just said, moments ago, that you wanted to be an Avenger because you need it.

WADE

Yessir, I do.

HAROLD LLOYD

But the Avengers don't do the job because they need it. They do the job because people need them. Do you see the distinction?

WADE

Yessir. Please, Mr. Lloyd. I don't want to spend the rest of my life like an annoying one trick pony.

HAROLD LLOYD

Alright.

*
*

Wade listens intently, eyes ablaze with heartache. Harold stands, suggesting the meeting's end.

WADE

Oh my god. You're standing.

HAROLD LLOYD

Yeah, and now's the time that we stand.

*

(CONTINUED)

WADE

Damn it.

HAROLD LLOYD

(walking Wade to the door.

He puts his arm on Wade's
shoulder)

The problem might be that you're
reaching a little too high. Aim for
the middle and you'll never miss,
right? I think you've got a good
heart. I believe what you're
saying. But not everybody's the
world-saving type. *I'm not.* But I'm
happy, right? I found *my* place.
Find your place.

Wade now stands in the open doorway. Crestfallen.

HAROLD LLOYD (CONT'D)

(feels bad for the guy)

Alright, get back out there. We'll
keep an eye on you. Good luck.

Wade gives Harold a big hug. It lingers a little too long.

WADE

Alright, fetch the car. I want to
hit Shake Shack on the way home.

HAROLD LLOYD

Really? Really? -- No, no, please.

*
*

Wade pulls out of the hug...

WADE

Okay, thank you.

FADE OUT:

SHUNK. SHUNK. SHUNK. Over BLACK.

WADE (V.O.)

You know what they say. When one
door closes, your locker at work
opens.

INT. DRIVEMAX - LOCKER ROOM - DAY

A CHYRON: "EARTH-10005" "NOW."

TIGHT on WADE. STAPLE GUN in hand. He is STAPLING a holy-
mother-fucking-shit CHESTNUT TOUPEE onto his bald head in
front of a locker room mirror.

(CONTINUED)

The rhythmic SHUNK of the stapler becomes the hooky beat to George Michael's "FREEDOM! '90" as we see other quick tight cuts:

A final adjustment of the toupee, the straightening of a NAMETAG reading 'WADE,' the buttoning of the cuffs on a crisp long sleeve, the cinching of laces on a pair of Skechers Shape-Ups. The smoothing of merkin eyebrows.

WIDER NOW: It's Wade 2.0. Final checks in the locker room mirror. Ready for sales-floor action.

WADE

Now let's go sell some certified
pre-owned vehicles, motherfuck--

INT. KIA CARNIVAL - DAY

WADE is now sitting 'bitch' in the rear bench seat of a KIA CARNIVAL MINIVAN. We see only his FACE and scrunched knees in the rear-view mirror.

Surrounding him in the van is a YOUNG FAMILY, the CHIPMANS - PARENTS in front taking the van for a test-drive, MR. CHIPMAN behind the wheel, MRS. CHIPMAN riding shotgun, BOYS (11 and 8) flanking Wade in the back.

WADE

Technically, the Carnival is not
a...

(voice drops out)

...minivan...

(back full volume)

..it's an 'MPV.' So everybody gets
to keep their testicles.

*
*

MRS. CHIPMAN

So how does the Kia compare to the
Honda Odyssey?

WADE

That's a great question. Um, it
doesn't fucking suck.

MRS. CHIPMAN

('language')

You know, you can answer the
question without swearing.

WADE

I'm sorry, Tammy! I don't have
kids. Not that I haven't dreamt of
that, but I don't have a lot of
vaginal sex.

10 INT. DRIVEMAX - LOCKER ROOM - LATER

10

Wade is changing out of his polo.

PETER (O.C.)

You'll get 'em next time.

REVERSE ANGLE to REVEAL: PETER. That's right. Peter is back.
In all his moustachioed glory.

He wears a polo and wrinkle-free khakis. Peter grabs his
jacket out of his locker.

PETER (CONT'D)

And look, you can always go back to
superheroing. I mean, I know I'd
like to see you back in the suit. I
don't keep it in my locker so that
I can wear it.

Peter laughs with longing.

PETER (CONT'D) (CONT'D)

I keep it in my locker in case we
need to saddle up again.

We see the Deadpool suit in all its glory. Hanging casually
on a shitty hangar in a locker. Inert. Wade looks at it.
Then:

WADE

Hey, hey hey. What is it doing in
there? I'm done. I'm done, and I'm
fine with being done. Look, is
sales the best match? Probably not.
Is this the life that I always
imagined for myself? Fuck no. But
this is the right fit for me, Sugar
Bear. It is.

PETER

Okay, Mr. Wilson.

WADE

Aim for the middle and you'll never
miss.

11 **EXT. CITY STREET - EVENING**

11

Peter and Wade bike home.

PETER

I'm just saying... once a month, we could go on uhhhh little mission. We're human beings. We crave purpose. After all, we're Deadpool.

WADE

Please, stop saying that. We're not Deadpool. I'm not even Deadpool anymore.

PETER

Well, if you're gonna have a midlife crisis... go BIG. A few years ago, a friend of mine got his nipples pierced with a titanium chain that goes down and attaches to his Van-Johnson.

Peter and Wade dismount from their bikes. As Peter locks the bikes outside Wade's building, Wade gets distracted. A weird feeling coming over him, almost like he's being watched. He looks across the street...

PETER (O.S.) (CONT'D)

Are you feeling grumplestilskin 'cause it's your birthday?

Across the street Wade sees CONSTRUCTION WORKERS busying themselves at a SUBWAY ENTRANCE down the block.

WADE

(distracted, something off here)

What?... No...

Wade can't put his finger on the feeling, and heads inside his building.

12 **INT. WADE'S APARTMENT - HALLWAY - EVENING**

12

WADE and PETER walk down the hallway outside Wade's door. Wade fiddles with his keys.

13 **INT. WADE'S APARTMENT - EVENING**

Wade opens the door.

EVERYONE

Surprise!

(CONTINUED)

DOPINDER flips on the lights to reveal a CROWD eager to celebrate Wade's birthday. His apartment is festooned with balloons, crepe paper, streamers. Etc.

WADE

Hey! You guys are lucky I'm not armed.

CHEERS all around. Peter claps Wade on the back. Wade ekes out a smile for everyone's benefit but his own.

Wade accepts hugs from around the room: BLIND AL, VANESSA, of course. DOPINDER. COLOSSUS. BUCK. NTW and YUKIO. SHATTERSTAR.

WADE (CONT'D)

Get in here. If this were five years ago, you'd all be dead.

QUICK CUTS OF:

A going-through-the-motions WADE, in full SMALL-TALK MODE with various friends:

DOPINDER:

DOPINDER

So then he gets out of the cab, and you would not believe it, I turn around, and what do I find?

SHATTERSTAR

Airpods.

WADE

His Airpods? Come on.

DOPINDER

His Airpods.

SHATTERSTAR

Crazy story.

WADE

Every time. Come on.

DOPINDER

Every. Single. Time!

BLIND AL:

BLIND AL

BLIND AL
Are you trying to kill me,
motherfucker?

WADE
I'm not the one dousing everything
in salt, motherfucker.

BLIND AL
I pray everyday that fire finds
your body and finishes the job God
didn't have the nuts to do.

WADE
That's hurtful. If you could hear
the look on my face, you'd smell
how sad I am.

BLIND AL
Whatever.

COLOSSUS, after a few beats of mutual silence:

WADE
You watching anything good?

COLOSSUS
'Great British Bake Off.'

WADE
Oh goddamn. That show stood between
me and suicide for ten years.

NTW and YUKIO:

WADE (CONT'D)
Hi Yukio!

YUKIO
Hi Wade!

NTW
Nice fake-o'clock shadow.

YUKIO

I love your hair system, Wade!

WADE

Thank you.

BACK WITH BLIND AL:

*

BLIND AL

Wanna do some cocaine?

*

*

WADE

Hey! Cocaine is the one thing that Feige said is off limits.

BLIND AL

What about Bolivian marching powder?

WADE

They know all the slang terms. They have a list.

BLIND AL

Even snowballing?

WADE

Even disco dust.

BLIND AL

White girl interrupted?

WADE

Even Forest bump.

BLIND AL

Booger sugar?

WADE

You can't even say Diego Maradona, and he's a legend.

BLIND AL
Do you want to build a snowman?

WADE

Nearby, PETER has lifted his shirt to show off the titanium chain attached to his nipples.

PETER
Pull here.

YUKIO
Here?

Yukio pulls on the chain.

PETER
Ah.

DOPINDER
What happened?

PETER
That's the fun part.

VANESSA approaches Wade:

WADE
Thanks for coming.

VANESSA
Yeah.

WADE
How's work?

VANESSA
Oh, I got a promotion.

WADE
No way.

VANESSA
Yeah. It's mind numbing middle management, but I'm happy.

WADE
That's great. You seeing anyone?

Wade seems to brace himself.

WADE

Well it's early days.

Vanessa smiles. Wade tries to.

VANESSA

What about you? You seeing anyone?

WADE

No, no. I live in a one bedroom
apartment. I share a bed with Blind
Al.

Wade smiles.

VANESSA

Okay. Alright.

WADE

Okay, okay, okay. Birthdays. Boy,

Ten-four good buddy. Going down.

Wade takes the little easel and photo off the top of the cake as he prepares to blow out the candles. We rack focus past the candles to Wade's smiling face. The flames light his eyes.

Wade blows out the candles. Over BLACK. SUDDENLY:

A KNOCK AT THE DOOR. Wade sighs.

costumes? Never mind. Take your
clothes off, but leave the helmets,
and this isn't Pretty Woman.

(takes a mint)

We're kissing, alright. Which song
do you guys normally dance to?

Wade looks back into the room to make sure nobody can hear
him. The MINUTEMAN in the middle raises one of those
ubiquitous 'Timesticks'...

WADE (CONT'D)

Whoa, whoa. Is that supposed to be
scary? Pegging isn't new for me,
friendo.

(winks)

But it is for Disney.

The MINUTEMEN take a step toward Wade.

WADE (CONT'D)

Ah-ta-ta... look, I've never been a

some crazy eye contact. Not you.

You. I can't see your eyes through

We're going to move on down the
hallway so we can spare a cleanup
on aisle asshole. How does everyone
feel about this plan?

UNMASKED MINUTEMAN

I don't like you.

WADE

Yes. Let's hold onto that attitude

17 **INT. TVA - ASSESSMENT ROOM - LATER**

17

WADE sits in a chair at a table in the center of a big, dark room. He is slumped over, FOREHEAD on the surface of the table. The staples remain in his skull with tiny remnant patches of hair connected to them. Suddenly, he AWAKENS, gasps, and sits straight up. He finds himself ACROSS FROM:

...a very dapper MAN in a perfectly tailored suit, sitting on the other side of the table.

This is MR. PARADOX. He looks all business but speaks like a super chill yoga instructor.

Wade looks around, disoriented. He spies the room.

MR. PARADOX

Mr. Wilson. You appear to have soiled yourself while unconscious.

WADE

I wasn't unconscious. Who are you?

MR. PARADOX

I go by the name of Paradox. Mr. Paradox. And you're sitting here at the TVA. The Time Variance Authority. We're really a watchdog organization, except we're more lighthearted than that sounds. With a sort of throwback ironic twist. And we're in charge of defending what's known as the 'Sacred Timeline.'

*

WADE

That is a shit-ton of exposition for a threequel. Is this because I used Cable's time machine? I brought a couple of people back to life. Then I destroyed it. That was a long time ago...

*

*

*

MR. PARADOX

Yes, we're aware of your abuse of your timeline. And you were so abusive of it. And no, it has nothing to do with that. Walk with me.

18 **OMITTED (FORMERLY INT. TVA - CORRIDOR)**

18

WADE

Cap!

A tear falls down Wade's cheek. He can't help but SALUTE.

MR. PARADOX

You're no longer lost, Wade... You can be a hero among heroes. We've been surveilling you for quite a while.

*

WADE

The subway station.

MR. PARADOX

The TVA outpost, yes.

WADE

And what is that?

We see a quick image from the future. THOR cradles DEADPOOL'S broken and battered body. Thor holds back tears.

WADE (CONT'D)

Is that me? Is that Thor? Is he *crying*?

Mr. Paradox quickly changes the channel.

MR. PARADOX

Let's not get ahead of ourselves. That happens in the distant future.

*

WADE

(to a TVA employee)

Why is Thor crying? Quick. Tell me.

MR. PARADOX

Do not look at her. Stop that. Eyes on me. I brought you here to offer you an opportunity. The opportunity you sought years ago but for which you were not ready. We believe you're ready now. Ready for a chance to leave your timeline. And join the greatest universe of all. I'm about to give you the thing you've always wanted.

*

*

*

WADE

I smell what you're stepping in.
(like the Rock)

(CONTINUED)

(CONTINUED) (2)

WADE (CONT'D)

*The hierarchy of power in the
Marvel Universe is about to change
forever. I'm the messiah. I. Am...
Marvel. Jesus.*

(humbly)

Can you excuse me for just a sec?

Mr. Paradox nods. *Of course.*

Wade walks away a few feet. Turns to camera. Grabs it by the
matte box. Reaches up outta frame and yanks THE BOOM MIC INTO
FRAME.

WADE (CONT'D)

Suck it, Fox. I'm going to
Disneyland. Get fuuuuucked.

Wade HEAD-BUTTS THE LENS, CRACKING THE GLASS. We have
literally BROKEN THE FOURTH WALL.

Wade skips back to Mr. Paradox.

WADE (CONT'D)

Where do I sign?

MR. PARADOX

Oh there's no need for paperwork.

WADE

Good. Not to brag, but I do not
read. There is one thing I will
need though.

SMASH CUT TO:

INT. TVA - FITTING ROOM - MONTAGE

Wade throws open the fitting room doors.

WADE

Oh fuck off! Adorn me, beardo!

MUSIC UP as we begin a short, punchy MONTAGE that recalls the
DriveMax suit-up: WADE gears up in a new DEADPOOL SUIT! CLOSE
UPS build in tempo and intensity--

CUT TO:

INT. TVA - COMMAND CENTER - DAY

Elevator doors open and REVEAL:

(CONTINUED)

DEADPOOL, in the baddest-ass, cleanest, brightest, Avengers-style Deadpool outfit ever. He struts down the catwalk like a Victoria Secret Angel.

DEADPOOL

Fuckin' A! It's perfect. FYI your tailor is a predator but I love it. Snug, no camel toe. New car smell. And Adamantium katanas? You shouldn't have.

*

Deadpool arrives at Mr. Paradox, does a little turn, then seductively leans against a desk.

DEADPOOL (CONT'D)

Go ahead. Take it in. And yes, your underwear is getting tighter.

(pointing to a random agent below)

That guy knows what I'm talking about. His clothes say middle management, but his eyes say 'fucky-fucky.'

*

*

*

The AGENT below awkwardly sips from an 'I LIKE ME' mug... and then picks up the PHONE on his desk.

MR. PARADOX

Yes. You look very nice.

DEADPOOL

Nice?! Your buddy here is ready to throw it all away for me. You calling your wife?

TVA BUREAUCRAT

H.R.

DEADPOOL

Does your wife work in H.R.?

MR. PARADOX

I'm really glad you're taking this so well!

DEADPOOL

Oh, I'm taking it well. I've never had a problem traveling for work. That said, we should talk vacation days. I'm more of a one-week-on, one-week-off kind of guy. I think that's what they do in Denmark.

(CONTINUED)

DEADPOOL (CONT'D)

You'll never see a Danish flag on the moon but goddammit they're happy. Now, let's power up your little amazon fire phone there and zip me back home so I can let my friends know that they've been upgraded to disciples.

The TVA agents look to Mr. Paradox. *Does this guy not get it?*

MR. PARADOX

Yeah, I don't think you quite understand. You will not be returning to your home because there will be no home to return to.

DEADPOOL

Come again? This time, in my ears?

Mr. Paradox turns to the MONITOR BAY, motions to a technician, and a DAZZLING GRAPHICAL REPRESENTATION of the FOX UNIVERSE comes up.

MR. PARADOX

This is your universe, Mr. Wilson.

The image zooms into a dark, sickly DEAD ZONE in the TANGLED THREADS OF REALITY. As they watch, DECAY from the dead zone spreads to the healthy threads around it.

MR. PARADOX (CONT'D)

That is what happens when a universe loses their "Anchor Being." See how it decays from the inside? This is how a reality dies.

DEADPOOL

What's an "Anchor Being?"

MR. PARADOX

An Anchor Being is an entity of such vital importance that when they die, their whole world slowly withers out of existence.

DEADPOOL

You've just won the lottery because I didn't die, it's just a little mid-life crisis. I'm better now.

MR. PARADOX

(stifles a laugh)

Oh my god... Can you imagine if you were the Anchor Being? HA! No.

(CONTINUED)

MR. PARADOX (CONT'D)

It isn't you, Mr. Wilson. Your
Anchor Being died in an act of self-
sacrifice so epic that it sent
shivers down the timeline.

*

Mr. Paradox looks at Deadpool as if he should know.

MR. PARADOX (CONT'D)

I am referring of course to Logan.
The Wolverine.

*

*

A chill falls over the room. Mr. Paradox brings Wade's
attention to a monitor, where we watch the death of Logan
from *Logan* (2017) play out on screen.

LOGAN

Don't be what they made you.

*

*

Mr. Paradox mouths the words.

*

MR. PARADOX

(mouthing words)

So this is what it feels like.

*

*

*

DEADPOOL

Logan? Of course. Logan. LOGAN?!
The guy with... forks for hands?
That Wolverine?!

The gravity of the situation is starting to dawn on Deadpool.
He turns to the monitor frantically, scanning the spreading
decay.

DEADPOOL (CONT'D)

Yeah, I got it. You can turn it
off. Make it stop.

MR. PARADOX

We're not doing it, Mr. Wilson. We
certainly can't stop it.

DEADPOOL

How long have we got?

A guilty TECHNICIAN looks to Mr. Paradox, but the bureaucrat
stays calm.

MR. PARADOX

In most cases, a couple thousand
years.

DEADPOOL

(exhales)

Well, sweet.

(CONTINUED)

MR. PARADOX

But most cases aren't fast enough.
Not for me.

DEADPOOL

What's that mean?

MR. PARADOX

It means I've been tasked with
overseeing the end of your
universe, and regardless of what
the pencil pushers upstairs would
prefer, I will not waste my life
watching it die slowly of natural
causes. We used to just prune these
things. Simple, elegant, efficient,
but I'm told the TVA doesn't like
to do that anymore. Well, I do. And
no matter what my so-called
superiors say, the multiverse does
not need a babysitter...we need a
mercy killer. And in this instance,
I am the mercy killer.

*
*
*
*
*
*
*
*

Mr. Paradox presses a few buttons and the MONITORS show a TVA
TECH CREW building a scary REACTOR-BOMB like device inside
the retro-fitted subway stop across the street from Wade's
apartment. This is the TIME RIPPER.

DEADPOOL

What is that?!

*

MR. PARADOX

That's a time ripper, Mr. Wilson.
An accelerant. Once completed it
will allow me to destroy the
spacetime matrix of your universe.
You see, I don't want to work for
the TVA, I want to be the TVA. And
my first order of business will be
giving your universe a swift and
compassionate end. Instead of a
slow, cruel, natural death, your
universe will simply blink out of
existence. And don't worry, your
friends won't feel a thing. It will
be over just like this -- "Oh,
what's that?" Ah. Trust me.

*
*

*
*
*
*
*

DEADPOOL

No. You're going to Old Yeller my
fucking universe?!

*

(CONTINUED)

MR. PARADOX

In your parlance... Yes? Two in the heart, one in the head.

*

TVA techs surround them, one of them holding a timestick threateningly.

MR. PARADOX (CONT'D)

Look, Mr. Wilson. You have two choices. You can either rejoin your loved ones and collectively cease to exist in...

(checks monitor)

...I'd say 72 hours? Or, you join the sacred timeline, and you end your days of insignificance and mediocrity. Wade, you can finally, finally matter.

Deadpool looks down at his fancy new costume. Over to the monitors showing the SACRED TIMELINE.

Deadpool nods reluctantly.

DEADPOOL

That's all I've ever really wanted.

MR. PARADOX

I know. I know.

DEADPOOL

And you know I'm nothing if not morally flexible.

(then)

Yup. I'll do it.

MR. PARADOX

Wise choice. The Sacred Timeline is happy to have you.

DEADPOOL

I was actually talking about finding your Anchor Being and breaking your fucking nose.

*

*

DEADPOOL smacks the TEMPAD OUT OF Mr. Paradox's hands, sending the device flying, then HEADBUTTS his nose, shattering it.

Deadpool turns to track the airborne flight of the Tempad and takes off after it. Two Minutemen stand in his way, timesticks at the ready.

(CONTINUED)

Without breaking stride, Deadpool takes them down and launches SLO-MO into a 360 twirl off the 'PIER' and after the TempPad, directly over the EYE FUCKER, who's back at his desk below, now GAPING at the prospect of getting pancaked.

Deadpool grabs the TempPad midair, hits the button and opens a time door, which he falls through. His left hand is the last to disappear, reaching for the EYE FUCKER.

ZAP! The time door zips closed, and Deadpool DISAPPEARS.

The eye fucker blinks, realizes his MUG is MISSING from his hand.

Mr. Paradox, blood pouring from his nose, slowly turns to the shocked agents gathering around him. Calmly:

MR. PARADOX
Find him. FIND HIM.

We are back where we left off. Minutemen rush Deadpool. Deadpool roars like a FUCKING ANIMAL and rushes the Minutemen. CLAWS OUT.

DEADPOOL (V.O.)
And boy did he ever. Which brings
us back to this. The desecration of
the sacred corpse.

Deadpool seems possessed. Animalistic. He charges the TVA SWAT AGENTS. Deadpool wields Logan's claws. The energy quickens along with our pulse.

Only, it's not what you'd expect. Wielding the adamantium claws is not as easy as the protein snorting Aussie fuck makes it look. In short, Deadpool SUCKS at this. It's messy, inelegant. Sure he nails a few bad guys, but also stabs himself. He gets claws stuck in everything.

DEADPOOL
My own fucking arm!

Still, determination prevails. Despite his ineptitude, he dispenses Minutemen, down to the last man...

DEADPOOL (CONT'D)
Now we're talking!

MINUTEMAN
Oh dear god!

DEADPOOL
I'm sorry. Wolverining is hard!

MINUTEMAN
Make it stop.

DEADPOOL
Mangled cry!

Deadpool and the last man standing are ten feet apart.

UNMASKED MINUTEMAN
You sick fuck! Logan was a hero!
And the only thing worth a shit to
ever come out of Canada.

In the blink of an eye, Deadpool closes the gap. And before the Agent can blink, one of Deadpool's swords is through his jaw and protrudes from the back of his skull. Deadpool is an inch from his face.

DEADPOOL
Get my country's name out of your
fucking MOUTH.
(beat)
And my sword. Give me that.

The Agent falls out of frame, dead. As Deadpool looks around, surrounded by fallen TVA Agents, the score subtly alludes to the CANADIAN NATIONAL ANTHEM.

DEADPOOL (CONT'D)
(sighs)
Ew. I gotta find me another Logan.

*

Deadpool taps coordinates into the TempPad and--

INT. AXE-BAR - NIGHT

DEADPOOL arrives through a Time Door and sees something across the room. Calls out:

DEADPOOL
Logan. I'm going to need you to
come with me right now.

*

*

A hush falls over the bar. A man turns:

IT IS THE MOST GLORIOUSLY HANDSOME HUGH JACKMAN WOLVERINE WE HAVE EVER SEEN. He turns to Deadpool, cocks an eyebrow.

LOGAN

WIDEN TO REVEAL:

An immensely hairy, 5'4" Wolverine with RAZOR SHARP incisors. Standing next to the bar stool which is roughly the same height as him.

DEADPOOL

Oh. Look at this hairy little Lou Retton. Did you stick the landing, little guy? Yes, you did, comic accurate short king. Such a cute w-little w-ovy. Hard pass. I'm not laughing.

Deadpool hits the TempPad and steps out through the time door and into--

26

EXT. POST-APOCALYPTIC ALLEY - NIGHT

26

DEADPOOL is giving a full SALES PITCH to a very suspicious AGE OF APOCALYPSE WOLVERINE.

DEADPOOL

25

INT. MADRIPOOR CASINO - NIGHT

An EYE-PATCH WEARING WOLVIE in a dapper white tuxedo (PATCH) plays baccarat with an air of sophistication and panache.

*

BACK TO INDUSTRIAL WAREHOUSE WOLVERINE:

DEADPOOL (CONT'D)

You know, from behind you look a
little bit like Hopper-- oh my
fuck!

Wolverine turns around and it's HOPPER-FUCKING-RENE.

Stogie between clenched teeth. The hair. The beard. The whole
nine yards. And dare I say, he makes a compelling Wolverine.
I mean... If things don't pan out with Hugh...

DEADPOOL (CONT'D)

The Hopper-rene. The legends are
true. And may I say, sir. On behalf
of all of humanity... This just
feels right. We will treat you so
much better than those shit fucks
down the street--

HOPPER-RENE

You were just leaving.

DEADPOOL

No, sir. Not while the fate of my
universe is at stake --

*

*

Before DP can finish his sentence, Hopper-rene loads his arms
Mission Impossible style. Claws protract from each fist and
BOOM! He sends Deadpool through multiple pillars. Before
Deadpool hits a final one and the wall, he's opened another
time door and WHOOSHES INTO:

28

INT. SEEDY CANADIAN BAR - DAY

28

DEADPOOL flies in backwards, continuing the momentum from
"Hopper-rene", taking out a patron's beer. He rolls up and
onto his feet. The PATRON takes an aggressive SWING. Deadpool
very nonchalantly - almost elegantly - catches the man by the
throat, mashing his carotid artery with his thumb and
lowering him silently out of frame.

DEADPOOL

(seeing Wolverine)

Ooh, this one looks promising.

(CONTINUED)

DEADPOOL (CONT'D)

(to the Patron)

Down you go.

Lowlifes inhabit the corners. Deadpool scans the room, his eyes landing on a lone figure slumped at the end of the bar. The silhouette of his hairstyle leaves no room for ambiguity about who this solitary figure is.

CLOSER NOW:

With LOGAN, a depressed loner in jeans and a work jacket. He's drunk. Haunted by things only he can see.

He downs a shot of WHISKY and taps the bar.

LOGAN

Again.

The BARTENDER leans in ominously.

BARTENDER

I told ya you're not welcome here.
You're not welcome anywhere, now
get the fuck outta my bar.

Logan locks eyes with the Bartender. We expect rage. We get a flicker of shame.

LOGAN

Just give me one more drink, and
then I'll leave.

BARTENDER

That's not how it works.

DEADPOOL (O.S.)

It does now. Leave the bottle.

CAMERA WRAPS TO REVEAL Deadpool is now seated on the stool right next to Logan. He refills Logan's glass. Logan stares glassy-eyed at Deadpool for a beat too long. Where's this going?

LOGAN

I know you, Bub?

DEADPOOL

Nope. *But I know you.*

He smiles. Then with a hint of sadness:

LOGAN

Everybody knows me. I'm The
Wolverine.

(CONTINUED)

DEADPOOL

Yes, you are. And I'm going to need
you to come with me right now.

*

Logan stares at Deadpool. Glass-eyed. Wasted.

LOGAN

Look, Lady. I'm not interested.

DEADPOOL

Really gettin' into your cups here.

LOGAN

Why would I go with you?

DEADPOOL

(deadly serious)

Because unfortunately I need you.
And even more unfortunately, my
entire world needs you.

BARTENDER

You two gonna fuck or fight?

Deadpool looks back and forth from Wolvie to the Bartender.

DEADPOOL

You gonna take that from him?

A beat.

WOLVERINE

Yup.

DEADPOOL

I can see you have a whole haunted
inner world that I'm guessing we'll
get to unpack later, but every
other Wolverine would have really
hurt me by now, and I'm sorta of on
the tick-tick, so upsee-daysey...!
Here we go.

*
*
*
*
*

Deadpool hoists Logan up. Logan awkwardly smacks Deadpool's
hand off and takes an unsteady fight stance.

WOLVERINE

Whoa, whoa. Hey, hey.

DEADPOOL

I've got you, big guy.

(CONTINUED)

BARTENDER

Get that piece of shit outta my bar-

-

Without looking away from Logan, and in a lightning fast move, Deadpool whips Logan's highball at the Bartender. It pulverizes into his forehead as the Bartender disappears behind the bar, moaning in pain.

DEADPOOL

He's not a piece of shit. He's an Anchor Being, and he's coming with me.

On Logan. SNIKT. Claws out.

DEADPOOL (CONT'D)

Oh, Whiskey dick of the claws. It's quite common in Wolverines over forty.

LOGAN

You don't want this.

Lightening fast, DP points a Desert Eagle at Logan's face. We zoom in on its engraved muzzle: "Smile And Wait For The Flash."

DEADPOOL

You're right. And you don't want this. But unless you wanna take a deep breath through your fucking forehead, I suggest you reconsider. Let's go, Peanut.

With enough booze in him to kill Winston Churchill:

LOGAN

Hold on, hold on, hold on. Watch this. Alright. Easy.

Logan grabs the BOTTLE, drinking its entire contents.

DEADPOOL

Good god. Thirsty little honey badger, aren't you? It's okay, keep going. Audiences are accustomed to long run times.

Logan keels forward, face-planting on the ground, unconscious.

DEADPOOL (CONT'D)

Guess you'll have to do.

Oh, look at those pjs. That only took twenty fucking years.

*

HARD CUT TO:

29

INT. TVA - COMMAND CENTER

29

Deadpool steps through a time door with an unconscious Wolverine in all his GLORY, wearing his YELLOW and BLUE suit. (But not yet wearing his mask. We save that for later.)

MR. PARADOX and his BUREAUCRATS monitor the progress of the Time Ripper. They turn to see Deadpool lugging the passed-out Wolverine towards them.

DEADPOOL

I got a big surprise. Here's your Anchor Being, baby girl. This Logan has the same he-can-do-anything-even-musicals look, and bonus: he's actually wearing a costume like he's not embarrassed to be in a superhero movie for once.

*

Deadpool barely registers as Logan falls over, landing at an extremely odd angle. It's ugly.

MR. PARADOX

I don't understand.

DEADPOOL

You said my universe is dying because this sack of nuts got himself killed. Well, problem solved.

*

A long beat as Mr. Paradox seems to consider Deadpool's offering. Then, Mr. Paradox breaks into laughter. Not just laughter, though. A massive full-body guffaw.

MR. PARADOX

Oh my god. You actually think you can *replace* an Anchor Being? With THIS?? I wouldn't have accepted ANY other Wolverine, btws, but you have outdone yourself and brought me the WORST Wolverine!

(CONTINUED)

ANGLE ON Logan, still prone on the ground, but eyes OPEN.
He's heard every word.

DEADPOOL

Whaddya mean 'the worst' one?

MR. PARADOX

Mr. Wilson. This Wolverine let down
his entire world. He's the stuff of
legend. But not in a good way.

CLOSE ON LOGAN's wet eyes, fixated on the middle distance.
Listening.

MR. PARADOX (CONT'D)

What he did? Well. Some things are
just beyond forgiveness.

DEADPOOL

Ok... how do I make this right?
I'll do anything.

MR. PARADOX

I gave you a chance at greatness.
Because my superiors deemed you
special. Clearly not "special" in a
good way, but apparently you have
some important future purpose to
serve.

*
*
*

DEADPOOL

With Thor. He holds me.

*
*

MR. PARADOX

But I did my duty. I gave you the
opportunity to be somebody. And
instead of accepting my offering
with humility and gratitude, you
broke my nose.

*
*
*

*

DEADPOOL

It looks great.

MR. PARADOX

And you decimated dozens of my men
with the exhumed corpse of a hero.
Dishonoring not only his remains,
but his memory.

DEADPOOL

What are you, the internet?

A TVA tech brings Mr. Paradox a sandwich. He speaks with his
mouth full, underscoring a lack of genuine concern.

(CONTINUED)

MR. PARADOX

Your world is dying.

(off the sandwich)

Thank you very much.

(back to Deadpool)

And there's no stopping it. The humane thing to do is to make it quick. And painless. I'm a humanitarian.

*
*

DEADPOOL

Is the thought of vaporizing my universe making you peckish?

MR. PARADOX

(non-plussed)

Think of the sacred timeline as a garden. I pull out the weeds. But we don't blame the gardener, do we?

*
*
*
*

DEADPOOL

How about I fuck the gardener with a rusty ice skate? I'm about to lose everything that I've ever cared about because that hairy thundercunt from down undercunt finally dies and-- he's back on his feet again, isn't he?

*
*
*

*
*

REVEAL: Behind Deadpool we see a groggy WOLVERINE rise into frame. He looks rather... Unhappy.

DEADPOOL (CONT'D)

(ostensibly to Wolverine)

Welcome back. You smell amazing by the way.

(to Mr. Paradox)

I want to talk to your boss. I want you to get them on the phone, and you tell him/her/or they that Marvel H. Christ isn't playing.

*
*
*

The TVA Technicians visibly tense up at this suggestion. Mr. Paradox bristles.

DEADPOOL (CONT'D)

Holy shit, I just heard a symphony of buttoholes clenching all at once. You're off grid. Your bosses don't know what you sick fucks are doing down here. Well, I'll tell you what.

*
*
*
*

Deadpool pulls out his TemPad.

(CONTINUED)

DEADPOOL (CONT'D)

I have a black belt in Karen. And
I'm going to go upstairs, and I'm
going to tell them all about --

Mr. Paradox PRODS Deadpool with a TIMESTICK.

Deadpool DISAPPEARS. The Tempad falls uselessly to the
ground.

MR. PARADOX

Oh, silence is nice, isn't it?

WOLVERINE

Where the fuck did he go?

MR. PARADOX

To the trash heap. You'll fit right
in.

ZOOP

Mr. Paradox has flung his Timestick right at Wolverine,
eliminating him.

MR. PARADOX (CONT'D)

That was close.

*

EXT. THE VOID - DESERT WASTELANDS - DAY

Detritus and artifacts from history and Marvel lore litter
the land. Deadpool awakens with a jolt.

A shadow falls over Deadpool's face.

DEADPOOL

Don't just stand there, you ape--
Give me a hand up.

SNIKT! Logan's claws come out.

DEADPOOL (CONT'D)

I'm actually okay, thank you.

*

WOLVERINE ROARS, buries BOTH CLAWS in Deadpool's chest and
wrenches him to his feet.

WOLVERINE

Where the hell are we?

DEADPOOL

(looks around)
I don't know.

(CONTINUED)

DEADPOOL (CONT'D)

Looks kind of Mad Maxy but that
would be IP infringement, right?

WOLVERINE

Fucking jokes.

Wolverine's free hand/claws dip below frame. He impales DP in what we can only assume is his perineum. He lifts him above his head and with the force of a thousand wrestlers, slams Deadpool down on his knee with the ultimate back breaker.

Deadpool GROANS and WRITHES on the ground, clutching at his back.

DEADPOOL

AAAAH! Were you even listening back there?! If we don't make it back to that Mr. Paradox asshole everyone I know is going to die.

Wolverine dusts himself off. Takes a last look around.

WOLVERINE

Not my fucking problem.

Wolverine turns and walks away.

*

DEADPOOL

That's all you got? Is that what you said when your world went to shit?

Wolverine stops in his tracks. Turns his head. Seething.

WOLVERINE

Come again?

Deadpool looks around, trying to get his bearings, his back to Wolverine...unaware he's just poked a bear.

DEADPOOL

Yeah, I heard all about you. How you screwed up *everything*. You should be thanking me for pulling you out of that bed you shit in--

SNIKT! Wolverine's claws pierce through from behind and out through Deadpool's chest. Deadpool looks down at the claws.

DEADPOOL (CONT'D)

You backstabbing son of a bitch.

Wolverine lifts Deadpool up over his head, Deadpool splayed up towards the dull Void sky.

(CONTINUED)

An instant later, Deadpool flips up and over backwards, hooks his legs around Wolvie's hips and stomach, landing hard on the ground with Wolvie on top of him.

Deadpool unloads BOTH guns into Wolvie's ribs, but the sonofabitch takes his medicine strong.

*
*

DEADPOOL (CONT'D)

Are you ready to be calm now?

*

He slams his head back, crushing Deadpool's nose before flinging him away. Deadpool rolls and SLAMS to a stop against a half-buried piece of stone. It's the ancient 20TH CENTURY FOX LOGO.

*
*
*
*

DEADPOOL (CONT'D)

Rest in pieces, Fox.

Low angle on Deadpool between Wolvie's feet. We see the bullets that were inside Wolvie drop to the ground with a "PING" sound. Then another. And another. Until all 20 bullets rain down in a clatter.

Close on Wolverine's face. He exhales gun-smoke from his nose and produces one more bullet between his teeth. Spits it to the side and hunches down like a coiled panther.

DEADPOOL (CONT'D)

I don't want to fight you, Peanut.
It doesn't matter what you did. I
just need your help.

WOLVERINE

I don't fucking care.

A bomb goes off in Wolverine's head. He ROARS. And charges.

DEADPOOL

Oh, uh oh. Fuck, this is going to hurt.

*

(to Wolverine)

Alright, fuck it. Let's give the people what they came for.

WOLVERINE

Let's fucking go.

DEADPOOL

(to camera)

Get your special sock out, nerds.
It's going to get good.

(CONTINUED)

Deadpool does a stunning mag reload and keeps firing, but Wolvie keeps coming, finally slashing the barrels of Deadpool's Desert Eagles clean off.

Deadpool produces his SWORDS and defends himself against Logan's rage in an incredible blade-on blade BATTLE.

Deadpool wields a small blade.

DEADPOOL (CONT'D)

Baby knife.

The fight's intense. Builds in speed. And builds. And BUILDS UNTIL:

Wolverine slashes Deadpool's leg, bringing him to his knees. Then pulls Deadpool's head back, raising his claws and preparing to DECAPITATE HIM.

WOLVERINE

Let's see you grow your fucking head back.

DEADPOOL

Wait wait wait! I can fix it! I can fix it.

Wolverine hesitates.

WOLVERINE

Fix what?

DEADPOOL

Whatever it is that you did!
Whatever made you so bad. Those pricks in the TVA...you heard them. They have the power to end MY universe. But they also have the power to change YOURS. We get back there, and we can fix your world...together. I promise.

Wolverine's interest is piqued.

MR. CLARKE (O.S.)

Hey! We fight each other, we lose!

Deadpool and Wolverine freeze, hearing the voice of a natural leader. Deadpool and Wolverine look at something off-screen. THE CAMERA PANS with them to reveal MR. CLARKE in TATTERED RAGS, to their right, perched on the remains of a building.

(CONTINUED)

Mr. Clarke looks as heroic as a man can look. He's been on the run, but it hasn't dampened his radiant spirit.

DEADPOOL

Dear God. It's him.

WOLVERINE

Who?

DEADPOOL

The one. The superhero equivalent to comfort food. Or molly. White guys' answer to all the disappointments. And another A-listener...I hope you're not expecting too much screen time, gorgeous. I'm thinking Pratt in Love and Thunder, but not a MINUTE more.

Suddenly, the sound of approaching engines. Mr. Clarke sets his gaze. Then:

MR. CLARKE

They're coming.

DEADPOOL

Who's they?

A MOB of MAD MAX-ian VEHICLES approach.

DEADPOOL (CONT'D)

Oh, they're driving angry.

Mr. Clarke jumps down in front of Deadpool and Wolverine.

DEADPOOL (CONT'D)

Now that's a superhero landing.

MR. CLARKE

I got this.

The vehicles surround them.

MR. CLARKE (CONT'D)

Stay close.

Deadpool gets behind Mr. Clarke and subtly places both arms around his waist, looking straight ahead at the approaching danger.

DEADPOOL

Aye aye, Captain. You've got this.

(CONTINUED)

31 (CONTINUED) (2)

31

It's weird. Mr. Clarke casually removes Deadpool's hands.

The CARAVAN circles up on the three heroes, no way out.

The caravan comes to a halt. The vehicles are populated by lesser-known mutants from the FOX X-MEN MOVIES: PYRO, TOAD, plus some N.D.'s. You can almost see Pyro's mouth water.

PYRO

Cassandra is gonna be giddy when
she sees what we caught.

(to Mr. Clarke)

You can't run. Everyone knows that.

MR. CLARKE

You see anyone running, dick for
brains?

Deadpool shoots Mr. Clarke a quizzical look. Mr. Clarke's
never worked blue before.

MR. CLARKE (CONT'D)

(to Pyro)

You're not gonna love what happens
next.

DEADPOOL

(to Wolverine)

Ohmygod. OHMYGOD. He's gonna say
it. Oh my god, he's gonna say it.

WOLVERINE

Say what?

Mr. Clarke girds himself for battle. Throws off his Void-wear
bedouin wraps, revealing a signature "4" on his chest!

DEADPOOL

Avengers assemble!

MR. CLARKE

FLAME ON!

DEADPOOL (CONT'D)

I'm sorry what now?

32

EXT. THE VOID - DESERT WASTELANDS - DAY

32

"Mr. Clarke" bursts into flames. He's not Mr. Clarke... he's
JONATHAN BYERS. Oops.

Jonathan flies over the caravan, blasting with a beam of
FLAME. A vehicle EXPLODES.

Pyro SIPHONS the flames from Jonathan with his mutant power.
Jonathan is EXTINGUISHED and falls out of the sky.

(CONTINUED)

JONATHAN

Oh fuck.

With a vicious blow, he slams into the scaffolding, then the ground, knocked clean out.

WOLVERINE

We don't know that guy.

DEADPOOL

Thought we did.

TYLER MANE's SABRETOOTH, Wolverine's natural enemy, leaps down from a truck like a feral beast.

SABRETOOTH

I know you.

Sabretooth sniffs the air.

DEADPOOL

Holy... Sabretooth. Your brother.

SABRETOOTH

Ready to die?

Wolverine and Sabretooth prepare to fight.

DEADPOOL

Wait, wait, wait. Time.

(to Wolverine)

You look ridiculous.

Deadpool removes a sword from Wolverine's abdomen.

DEADPOOL (CONT'D)

We all have an idiot brother.

Unfortunately, that's you.

(removing baby knife)

Baby knife.

(then, to Wolverine)

People have waited decades for this fight. He has no grappling game.

Whatever you do, do not go for the head.

*

WOLVERINE

Shut the fuck up.

DEADPOOL

Oh my god.

33

EXT. THE VOID - DESERT WASTELANDS - DAY

33

Sabretooth smiles and squares off. Deadpool backs up.

DEADPOOL

Okay. Good luck, I'm a huge fan...

The two MUTANTS CHARGE each other. Sabretooth throws his biggest SUNDAY PUNCH, and Wolverine dodges and *imperceptibly* SWIPES with his claws.

Sabretooth stops in front of Deadpool.

DEADPOOL (CONT'D)

What is it, girl? Is there trouble at the well?

Sabretooth stops, spins around, except his head doesn't turn around with his body. Instead, it continues to face the wrong direction then FALLS CLEAN off his body. Reveal Wolverine's claws extended, fresh Sabretooth blood dripping off them.

DEADPOOL (CONT'D)

Big trouble.

(lifting Sabretooth's head)

Behold! The head of your precious, Queen-- Furiosa! I have the Wolverine. I alone control her. You come for me, you come for her.

(to Wolverine)

I'm so sorry. I know it's pronounced him. I'm gender blind, it's my cross to bear.

WOLVERINE

Who's next?

PYRO

Toad. You're up.

Wolverine looks like he could take the whole lot of them with that kind of ferocity. Unfortunately, a highly unperturbed Toad nonchalantly flicks his tongue out, using it to pull down a switch on A GIANT MAGNET TRUCK.

WHOOSH!!! Instantly, Wolverine flies into Deadpool, pulled backwards by the force of the magnet. Deadpool hits the giant magnet first before being pinned by Logan's metallic body.

DEADPOOL

Uh oh.

(CONTINUED)

Deadpool looks up just in time to see a big DETACHED SENTINEL BOOT flying towards them at rocket speed, also pulled by the magnet.

DEADPOOL (CONT'D)

Holy shit--

WOLVERINE

Oh fuck.

*
*

The metallic SENTINEL BOOT hits them with the force of a cannonball.

BLACK OUT.

The marauder caravan makes its way across the vast landscape of the Void.

Wolverine startles awake in a SPHERICAL CAGE being dragged across the barren landscape. He's BOUND CHEST TO CHEST WITH DEADPOOL.

Deadpool's head rests on Wolverine's shoulder.

Deadpool raises his head, coming face-to-face with a very annoyed Wolverine.

DEADPOOL

How long was I asleep?

WOLVERINE

(glances down)

Not all of you was asleep.

SNIKT! Wolverine pops his claws, but the way he's tied they just extend helplessly into the air. JONATHAN watches from the other side of the "prison ball". Coiled in non-flammable metal chains.

JONATHAN

Don't bother. They're very thorough.

WOLVERINE

If you know where we are, start talking.

JONATHAN

You're in the Void. Think of it as purgatory. Reed called it a metaphysical junkyard.

JONATHAN (CONT'D)

Where anything useless goes before
it gets annihilated forever. And
where the TVA sends people that
don't play nice with the rest of
the multiverse.

WOLVERINE

Like you?

JONATHAN

(nods)

And you.

DEADPOOL

What does the annihilating?

JONATHAN

Alioth.

DEADPOOL

Okay. As long as it's
realistic and not some big
purple cloud monster or
something.

JONATHAN (CONT'D)

Alioth is a big purple cloud
monster.

DEADPOOL (CONT'D)

Fuck, my mouth.

*

JONATHAN

Everyone here's on the run from
Alioth. Most don't make it. There's
a resistance though. Other people
like us that managed to survive.
They're hiding out in the
borderlands. Trying to find a way
the fuck out of here.

WOLVERINE

Then that's where we go.

That gets Deadpool's attention.

*

WOLVERINE (CONT'D)

These others. They can take us back
to the TVA. Make them fix things.

*

DEADPOOL

Us? We? A team? The answer is yes.
Shake on it.

*

*

*

(Wolverine pops his claws)

*

Fuck! You nicked it. Just got the
tip with your little steak knife.

*

*

Jonathan chuckles.

(CONTINUED)

34 (CONTINUED) (2)

34

WOLVERINE

Something funny, bub?

JONATHAN

She might have something to say
about that.

WOLVERINE

Who's 'she?'

Deadpool looks up curiously toward a rusted CCTV camera at
the top of the cell. (We may revisit this later.)

JONATHAN

In the void, you're either food for
Alioth... or you work for Her...

We widen out as the convoy makes its way across the epic
nothingness of the void.

35 **EXT. GIANT SKELETAL ARENA - DAY**

35

The CARAVAN approaches the MASSIVE CARCASS of a GIANT
SKELETON.

The humongous body lays on its stomach, its skeletal CHIN
resting on the ground. Its arms extend in front of it,
creating a massive ARENA-LIKE CIRCLE, its TWO GIANT GLOVED
HANDS overlapping to form a GATE.

36 **EXT. GIANT SKELETAL ARENA - DAY**

36

As the CARAVAN APPROACHES, the MASSIVE HANDS begin to part.
The "gate" opens, a mechanical pulley-system being operated
by the BLOB atop the rampart.

The PRISON TRUCK pulls in. There is a hive of activity.
Henchmen eye our heroes suspiciously. Among them is a massive
JUGGERNAUT VARIANT, complete with a Vinnie Jones-style
Helmet.

Jonathan gets yanked out and flung on the ground. Deadpool
and Wolverine get shoved out of the cage into the "arena" of
the GIANT SKELETAL arms. Wolverine lands on top of Deadpool,
repaying the Headbutt. OTHER HENCHMEN shove the other
prisoner from inside the other cage-ball-- who we now notice
is the Minuteman Deadpool made self-prune in the Logan grave
fight sequence!-- onto the ground. A HORN rings out. The
CROWD goes silent.

Then movement and a groaning creak from the Giant Skeletal
head, as the mask rises, revealing the rotted carcass of a
skull inside.

(CONTINUED)

DEADPOOL

(marvels at skeleton)

Paul Rudd finally aged.

(off Juggernaut)

You must be this year's Juggernaut.

Thank you.

*
*

JUGGERNAUT

(pulls them up from
ground)

Alright, keep your voices down. She
don't like the chatter.

WOLVERINE

(to: Deadpool)

She's gonna love you.

Out of the darkness of the skull's jaw, an old, decrepit figure wheels out on an ALL-TOO-FAMILIAR WHEEL CHAIR. The figure's head is turned down, obscuring their face but revealing a BALD-HEAD.

DEADPOOL

Is that--is that Charles?!

(to the figure)

HEY, CHUCK! It's us!

Wolverine's expression darkens.

WOLVERINE

That's not Chuck.

JONATHAN

Oh shit.

The bald head rises, revealing the sweet smile of CASSANDRA NOVA. In silhouette, she's the mirror-image of Charles Xavier.

Cassandra rolls forward in the rickety, battle-damaged and BLOOD-STAINED wheelchair. She comes to a stop, then stands up and walks down from the giant skull toward our heroes.

DEADPOOL

Oh, ableism. Great. That's not
gonna go over well with the woke
mob.

Cassandra is curiously cheery, assessing Deadpool and Wolverine...but something is off.

(CONTINUED)

CASSANDRA NOVA

A Wolverine. I wondered when I'd get one of you... You're one of Xavier's.

DEADPOOL

You know him? You know Chuck?

CASSANDRA NOVA

Oh, I knew him. We shared a womb. Tried to strangle the sly little fellow with my umbilical cord.

DEADPOOL

Amen. I've never loved roommates. Mine's blind. Except she can see cocaine... For some reason.

(to Wolverine)

You wanna chime in, your majesty? I'm dying here.

WOLVERINE

Who are you?

*

CASSANDRA NOVA

Charles Xavier's twin. Cassandra Nova.

WOLVERINE

Bullshit.

DEADPOOL

I was an anal birth.

CASSANDRA NOVA

You two are cute. I have a good feeling about this.

With a gesture, she FREES THEM OF THEIR CHAINS, then, she walks towards Jonathan Byers.

CASSANDRA NOVA (CONT'D)

And I've been trying to catch this little firefly for years, haven't I, Johnny? You picked the wrong time to make new friends.

DEADPOOL

Oh, Johnny told us alllll about you.

WOLVERINE

Maybe shut up now--

JONATHAN

Yeah, maybe don't--

(CONTINUED)

DEADPOOL

We're just talking here. Johnny told us you're a psychotic megalomaniacal asshole-- his words not mine-- hellbent on domination and pain.

CASSANDRA NOVA

(turns to Jonathan Byers)
You said all that about me?

JONATHAN

No. NO. I didn't say any of that...

DEADPOOL

(calling over to Jonathan,
LOUDLY)

Sticks 'n stones, Johnny! Don't let her intimidate you! It's like you said in the convoy: "this finger-lickin' dead-inside Pixie slab of third rate dime-store nut-milk can eat your delicious cinnamon ring and kick rocks all the way to bald hell."

JONATHAN

(to Cassandra, pure panic)
Okay, I've never said any of those words in my entire life.

DEADPOOL

HA! The modesty. People think I'm a shit-talker. But this guy? Is *next level*.

JONATHAN

No. He... No. What? I don't even know what half of that means--!

DEADPOOL

My hats off to you, sir. Truly.

WHOOSH.

All the skin on Jonathan's body rips away in a blink. The blood, organs, and bone all hang in the air for a moment before gush-thumping to the ground in a hideous pile of lungs, heart, liver, blood, and bones. The spine and skull stay upright in the viscera-pile for an agonizing extra beat...before tipping over like a limp tree in the woods.

(CONTINUED)

What. The holy. HELL. Wolvie looks quietly horrified.

DEADPOOL

Not my favorite Chris.

WOLVERINE

You stupid piece of shit, you just got him fucking killed--

DEADPOOL

Hey: we're all grieving. And PS, *DO YOU KNOW WHAT HE WAS DOING TO THE BUDGET?!*

CASSANDRA NOVA

Shhh... Alioth is hungry.

In the distance, Deadpool clocks a GIANT WHIRLING PURPLE CLOUD on the horizon. Cassandra walks toward it, looking out at the horizon.

DEADPOOL

There's been some kind of mistake. Big Yellow is a backup Anchor Being, and I'm Marvel Jesus. MJ if you're nasty. There's a guy at the TVA who is going to destroy my universe, and I'm gonna stop it.

*
*
*
*
*

CASSANDRA NOVA

Oh, honey. You don't really strike me as the world-saving type-- did I hit a nerve?

She did.

DEADPOOL

I didn't want it to come to this. Either you help us, or my friend here is gonna sing the entire second act of Music Man with zero warm up.

WOLVERINE

Where'd ya get the chair?

CASSANDRA NOVA

Once in a while I do get a Charles through here. Never mine though. He didn't care to find me.

(CONTINUED)

DEADPOOL

(quiet, to Wolvie)

Ugh, Gen-Z and their *trauma*
bragging. Can't you just stuff it
down? Turn it into accomplishment
or cancer like the rest of us.

CASSANDRA NOVA

But I'm not like the rest of you.
Except maybe the Wolverine. Now we
could be truly terrifying together.

*
*
*
*

WOLVERINE

You're that scary, huh?

CASSANDRA NOVA

The TVA certainly thought so. They
sent me here before I could walk.
It was the best thing that ever
happened to me. I love it here.

*
*
*
*

DEADPOOL

You live in a garbage dump.

CASSANDRA NOVA

I think we both know who lives in
the garbage dump. The Void is a
paradise. I can wield my power here
without shame.

*
*
*
*

DEADPOOL

(over it)

And what power would that be?

*
*

CASSANDRA NOVA

A dash of this, a dash of that.
You'll see.

DEADPOOL

A grower not a shower. Respect.

CASSANDRA NOVA

But I had no Charles Xavier to
teach me temperance. What about
your Charles? Did he protect you?
Did he make you feel safe?

*
*
*

WOLVERINE

We're mutants. We're never safe.

SNIKT!

WOLVERINE (CONT'D)

AAAAARRGHHHH!!!!

38

EXT. GIANT SKELETAL ARENA - DAY

38

Wolverine LUNGES at Cassandra. Cassandra stops him in his tracks and then, with a wave, flings him back and into the ground. Buried alive.

His SIX-CLAWS poke up out of the ground, the only part of him still visible. Cassandra motions again, and the claws cut through the ground as the subterranean Logan is shoved away. The claws cut through the dirt like a SHARK-FIN through water.

DEADPOOL

Whoa, whoa, whoa. I don't want the smoke. I don't have any beef with you. I just want to save my friends. I just-- I want to go home.

CASSANDRA NOVA

Well the thing is I could get you home.

DEADPOOL

Good.

CASSANDRA NOVA

But I don't...want to?

*

Suddenly, impossibly, Cassandra Nova is BEHIND him, whispering in his ear. Deadpool is frozen, powerless...

CASSANDRA NOVA (CONT'D)

What DO you want, Wade Wilson?

Her hand SNAKES up the back of his head, a seductive scalp massage.

DEADPOOL

Your fingers are inside me, but not in a good way.

CASSANDRA NOVA

My brother could enter one's mind with a thought. I have to get my hands dirty.

Her fingers impossibly ENTER the back of his head and then her fingertips poke through his forehead.

CASSANDRA NOVA (CONT'D)

Shhhhh. I've got you.

SMASH CUT TO:

39

IMAGES (UNFILTERED) FROM WADE'S BRAIN.

39

CASSANDRA NOVA (O.S.)

I've got you...

We see KALEIDOSCOPIC FLASHES of Deadpool/Wade from the first two movies; images of heroism, joy, connection. The images swirl into a flashback of BUSTER KEATON, saying the words that will break Wade's heart. Another shot shows us HAROLD LLOYD escorting Wade out. We hold on Wade's crestfallen visage as the door closes behind him. Then we see Wade staring at his Deadpool suit, eyes listless. Then in his new uniform at DriveMax. We see him standing outside in the middle of the car lot. Sad. Lost.

40

INT. WADE'S APARTMENT - FLASHBACK - DAY

40

Other flashes of Wade as VANESSA breaks up with him...Wade's pain is etched all over his face. Vanessa reaches for his hand, eyes empathetic...

WADE

What do you mean?

VANESSA

I just feel like I don't know where you are. I can't reach you. You're not here.

WADE

I'm right here.

VANESSA

No, you're not. I can't--

WADE

I'm right here.

VANESSA

Then show me. You've got to do something.

WADE

Show you what?

VANESSA

Show me you care about something bigger than you. Ever since they turned you down, you took a knee. Baby, you never got back up.

(beat)

Your crazy matches my crazy. Remember? Where did you go?

(CONTINUED)

WADE

(hurt)

Oh my god. You just say it, okay?
Say "I don't want you. I don't want
to be with you." Go ahead. Say it.
Say you don't want to be with me.
Say it and I'll walk away. Say "I
don't want you."

*
*

Vanessa sighs. A heaviness weighing on her.

WADE (CONT'D)

Oh fuck.

VANESSA

You'll never fucking matter.

WADE

(hurt, in flashback)

What?

VANESSA

(but now with Cassandra's
voice)

You'll never... fucking matter.

And we're rapidly ripped away from her, through what feels
like a tunnel and into a Deadpool mask and back into:

EXT. GIANT SKELETAL ARENA - DAY

Deadpool is in fact staring at Cassandra who is the real
source of the voice.

CASSANDRA NOVA

...fucking...matter.

DEADPOOL

She never said that!

CASSANDRA NOVA

No. But I bet she thought it.

*
*

Cassandra CRUELLY YANKS her fingers out of Deadpool's head.

DEADPOOL

You are SO MEAN! My brain could
taste your fingers! AND THEY TASTED
LIKE HATE! And where in *God's name*
is the intimacy coordinator?!!

CASSANDRA NOVA

You're so lost, Mr. Wilson. And
long before you came here.

(CONTINUED)

Deadpool removes the baby knife from his holster. Holds it in front of him.

DEADPOOL

This is baby knife. She's going to fuck you in the face now.

CASSANDRA NOVA

If you want to kill me it's gonna take more than a little blade.

DEADPOOL

How 'bout six?

Jump scare! Wolvie sinks BOTH CLAWS into her back. Cassandra looks down at the claws poking through her chest. She arches back, writhing in pain.

DEADPOOL (CONT'D)

Ha, ha, ha! My boy's WICKED STRONG!
That's my BIG BOY! Yes, you are.

Cassandra looks down at the claws still protruding from her torso.

*

She smacks her open hand against her chest like swatting a fly. Violently forcing Wolvie's arms/claws out of her and sending Wolvie skittering back.

Cassandra squares off to face Wolvie and Deadpool. In the distance behind her, closing in fast, ALIOTH is now near-- a monstrous purple cloud monster speeding through the sky and coming in hot.

CASSANDRA

(heads back to her SKULL)

Well this has been fun, but the big guy needs to eat and the rent is due. By the way, you're the rent.

Alioth looms massive in the air. The bound Minuteman prisoner shakes and whimpers feebly, knowing the end is near. Deadpool and Wolverine look over at him.

MINUTEMAN

Please! Get me outta here...!

DEADPOOL

Don't you worry about a goddamn thing. I've got you. You're going to be just fine.

*
*
*

Deadpool pulls his knife out of Wolverine's buttock. Wolvie flings Deadpool off.

DEADPOOL (CONT'D)

Get your mind out of my pants.

*

WOLVERINE

New rules: I talk now.

DEADPOOL

That's gonna be very hard on the audience.

WOLVERINE

Shut the fuck up. Let me fucking think. We've gotta get back to Paradox, right? RIGHT?

Beat.

DEADPOOL

Je m'excuse. Am I allowed to speak now--

WOLVERINE

Just nod, asshole.

Deadpool nods.

WOLVERINE (CONT'D)

Right. Then we find the others that poor kid was talking about before you got him killed.

DEADPOOL

'Poor kid'??? He's like, FIFTY!!!

WOLVERINE

If there's a chance they know how to get out of here, we find them. We make those TVA fuckers fix my shit like you fucking promised.

DEADPOOL

I smell a quest.

Wolverine eyes Deadpool. He turns toward the diner incongruously perched on the horizon.

WOLVERINE

I smell food.

45 INT. DINER - GOD KNOWS WHERE - GOD KNOWS WHEN

45

A dank, dusty, ABANDONED DINER. WADE sits in a BOOTH. MASK
OFF. He's finishing some canned SPAM. Wolverine rummages
around the diner, overturning items, looking for something.

WADE

So what made you finally wear an
honest-to-god costume? Mine's red
so they can't see me bleed. But I
can see how yellow would be useful
too.

*

LOGAN

Have you been checked for ADHD?

WADE

uh-uh. But I've had several STDs
which were probably caused by ADHD--

*

WOLVERINE

Fuck.

WADE

What're you looking for?

Wolverine opens a rusted out white first aid kit and grabs a
bottle of something.

WOLVERINE

Booze... or a ball gag for you.
Preferably both.

WADE

Nice. I'd take a ball gag if you
find one.

*

Wolverine takes out a bottle of rubbing alcohol.

WOLVERINE

Okay, fuck.

Wolverine sits across from Wade. His nostrils flared. Staring
at the bottle of rubbing alcohol.

WADE

No, no, no, no. That's, uh...
Rubbing alcohol. You don't wanna
drink that--

(CONTINUED)

He downs it.

WADE (CONT'D)

Oh. Yup, there you go. Fuck that liver.

Wade points to the untouched can of SPAM.

WADE (CONT'D)

Okay. You gonna eat that?

LOGAN

(disgusted)

God. Mind putting your mask back on?

WADE

Super hard to eat while I'm wearing it.

LOGAN

Super hard to eat when you're not.
(off Wade's head)
What the fuck are those?

WADE

Oh yeah, staples of glory. Back in civilian life I wear a toupee, but nobody knows.

LOGAN

Everybody knows.

WADE

Wanna talk about what's haunting you? Or --

*

LOGAN

Uh, go fuck yourself.

Logan unceremoniously gets up and takes his SPAM to an empty seat at the counter. Eats, back turned, in silence.

WADE

Y'know, in my world, you're uh... well regarded.

He stops chewing.

WOLVERINE

Not in mine.

(CONTINUED)

WADE

They don't like me much in mine
either.

WOLVERINE

...Ya don't say.

WADE

I *wanted* to be something. Shit, I
wanted to be an Avenger.

WOLVERINE

Fuck the Avengers.

WADE

Yeah. I didn't make the cut though.
Same with the X-Men. Then my
girlfriend left me.

*

WOLVERINE

(incredulous)
You had a girlfriend?

WADE

Yeah, Vanessa. When we met, she was
a dancer. We had a whole life. It
was good. It was really good. But
oh boy I just... fucked that right
up. You see, I don't like me very
much, so how could she? But you...
You were an X-Man. You were THE X-
Man. The Wolverine was a hero in my
world.

*

*

*

A weighted beat:

WOLVERINE

Yeah well, he ain't shit in mine.

INT. TVA CORRIDOR/ELEVATOR - DAY

45A

HUNTER B-15 walks down a corridor flanked by MR. PARADOX.
She reviews some supply inventory logs as they walk. It's
clear from her attire that B-15 has been promoted since we
last saw her in LOKI.

B-15

I'm not even going to ask what's
going on with your face. But these
resource requests are extensive,
Mr. Paradox. Especially for an in-
world observation post.

MR. PARADOX

You've seen the file on earth one triple zero five. It's teeming with troublemakers.

B-15

Remember, *your job* is to do nothing. Make sure others do nothing. Do it long enough, maybe you'll sit in my chair one day.

MR. PARADOX

Sit in your chair and do nothing. Understood.

B-15

Did I detect a tone?

MR. PARADOX

A tone?

B-15

Maybe you'll detect this one: Good day, Mr. Paradox.

B-15 walks off. Mr. Paradox watches her go, clearly annoyed by the powers that be and the rules of engagement.

SMASH CUT TO:

The DUO is now walking across hilly terrain. Deadpool's mask is back on.

DEADPOOL

I don't mean to be a downer, but we have a lot to do. Find these other survivors hiding god knows where, force Cassandra to get us out of the Void, stop Paradox from destroying my world with his Time Ripper -- Rippa. It sounds better when you say it in an Australian accent.

(with accent)

Yeah, got a nice little Time Ripper there.

(without accent)

That's fun.

WOLVERINE

It's not.

(CONTINUED)

DEADPOOL

And there was something else...

WOLVERINE

Fix the shit on my timeline.

DEADPOOL

Good god, right. This plot refresher is exhausting. Rippa.

WOLVERINE

Was?

DEADPOOL

Huh?

WOLVERINE

Back in the diner you said, "was". Logan was a hero. What happened?

Deadpool stops walking. Reluctant to share...

DEADPOOL

You died.

WOLVERINE

How?

DEADPOOL

Well, technically, you were chest-fucked by a tree. But really?

(solemnly)

Ya just ran outta batteries trying to save someone.

WOLVERINE

Who?

DEADPOOL

The shitheels that grew her in a lab called her Lemon. But she was just a kid. A younger, daintier, somehow meaner version of you. You died trying to save her. It was beautiful.

Wolverine walks on. Deadpool too, clocking Logan.

DEADPOOL (CONT'D)

Look, mijo, I know you're hurting. My blind elderly, African American roommate, Blind Al always says that pain teaches us who we are.

(CONTINUED)

46

46

DEADPOOL (CONT'D)

And that sometimes we need to
listen to that pain instead of
running from it.

WOLVERINE

Holy shit.

DEADPOOL

She's wise.

WOLVERINE

No. That's her NAME? You call her
"Blind" Al?

DEADPOOL

Well, she's blind.

47

EXT. THE VOID - HILLY TERRAIN - DAY

47

Suddenly, an ungodly high-pitched growl cuts across the void.
Deadpool and Wolvie, on high alert, turn towards the threat.

Cresting the hill, bathed in slow motion and silhouetted,
bounds an animal. Smallish, maybe 10 to 20 pounds.

What comes into view is unexpected in every way. It's a dog.
Wearing a Deadpool suit. But not just any dog:

The UGLIEST MOTHER-FUCKING DOG ON THE PLANET.

DOGPOOL!

Slow motion. Cue: *Chris De Burgh's song, "LADY IN RED".*

Close on Dogpool, tongue hanging out the side of its mouth.
One of its eyes is milky white while the other wanders in no
particular direction. What little fur it possesses sprouts
disdainfully from its weird head.

Needless to say, Deadpool is SMITTEN instantly. Deadpool
(also slow motion) drops to his knees, RIPS OFF HIS MASK. He
extends his arms. Sincere musical swells are fucking
everywhere. The dog continues charging towards Wade and leaps
into his arms. She bathes Wade's face in a hideous cocktail
of saliva from a cankerous tongue. The music climaxes as
DOGPOOL and Wade kiss in ecstasy. We hard cut out to:

WADE

Oh my heavens! Look at you. She's
coming with us.

WOLVERINE

No, she's not.

(CONTINUED)

WADE

Oh yes, she is.

WOLVERINE

Fuck no.

WADE

Oh yes--

Just then a voice is heard from just over the hill.

NICEPOOL (O.S.)

Sorry! Sorry 'bout that! Come here,
girl.

Wade and Wolverine watch as a man crests the hill. He's immaculate. He wears a Deadpool suit with no mask. The suit looks like Yves Saint Laurent himself slummed it and designed a Marvel film. The man's about twenty-percent more muscular and after a pretty healthy session in Lola, looks like a younger RYAN REYNOLDS in his prime before his looks were ravaged by four children and ten side hustles. The man's a goddamn angel.

WADE

Who are you?

NICEPOOL

I'm Deadpool. And I guess you're Deadpool too? There's a few of us. But in here, everybody calls me Nicepool. Or Wendy. Oh my goodness, wait 'til you see LadyPool! She is gorgeous. She just had a baby too, and you can't even tell.

WADE

I don't think you're supposed to say that.

NICEPOOL

That's okay. I identify as a feminist.

WADE

Right.

(then)

You look like a Lamborghini.

NICEPOOL

Thank you.

(CONTINUED)

WADE

And are those gold plated .50
calibre Desert Eagle pistoleros?

NICEPOOL

Of course. To match my ear huggie.

WADE

Can I have them?

NICEPOOL

Ha! Over my dead body. You're fun.
And I guess you've already met Mary
Puppins. AKA: Dogpool. Careful
where you put your hand, she's
ninety percent g-spot, and she'll
let you know it. You let this
little flirt out of your sight for
one second and she starts shopping
for a new papa.

Dogpool rests comfortably in Wade's arms. While Wade
converses, the dog intermittently licks the inside of his
mouth. It's both horrifying and vaguely intimate. Everyone is
uncomfortable. Especially the actor playing Wade.

WADE

If you can't be a responsible pet
owner, then maybe you don't deserve
this little unicorn.

NICEPOOL

Guilty! On all charges, your honor!
(prayer hands)
It shan't happen again.

WADE

Why are you so nice?

NICEPOOL

It costs nothing to be kind.

WOLVERINE

(to Wade)

Shutting the fuck up is also free.

NICEPOOL

Caliente.

WADE

This is Logan. He's usually
shirtless but he's let himself go
since the divorce.

(CONTINUED)

WADE (CONT'D)
(to Nicepool)
Where's your mask?

There's a looong pause as we go around the horn to Wade, then to Wolverine, to Dogpool, and finally back to Nicepool.

NICEPOOL
(re: his face)
Come on, guys.

WADE
Oh, this guy. We're looking for a group of survivors.

NICEPOOL
Oh. Yeah. There's a bunch of us. Offshoots, Variants, castaways. The void is a kooky, kooky place. Cassandra likes to feed us to Alioth. Scary.

*
*
*

WOLVERINE
We need to find this group hiding out in the borderlands. You know where that is?

NICEPOOL
Yeah, that's twelve clicks due west. I can lend you my ride if you'd like. It would be my honor.

SMASH CUT TO:

REVEAL a beat-up 2011 HONDA ODYSSEY MINIVAN.

Deadpool (mask now back on) draws the hardline:

DEADPOOL
No. No, no, no. Absolutely not. Put the tarp back on.

*
*

WOLVERINE
Just get in the car.

DEADPOOL
This isn't a car. This is a Honda fucking Odyssey. Throttle response sucks a cock. Dated infotainment system. When Honda saw that untreated chlamydia was making a comeback, they invented the Honda Odyssey to compete.

(CONTINUED)

DEADPOOL (CONT'D)

Every time I talked a customer out of one of these and into a Kia, well goddamn it, an angel got its wings.

WOLVERINE

You done?

DEADPOOL

Almost...yes.

WOLVERINE

Yeah?

DEADPOOL

I'm done.

WOLVERINE

Get. In the fucking. Car.

NICEPOOL

She'll getcha there safe and sound. Ol' Betsy always does.

Deadpool snuggles into Dogpool.

NICEPOOL (CONT'D)

You're gonna have to give me my dog back though...

DEADPOOL

I know. Listen... Yes. If you ever wanna give her up... Or if she needs a new home, or, if, I dunno...

(cryptic)

...something should happen to you... I'd love to be her papa.

NICEPOOL

What would ever happen to me?

Long beat. Deadpool just stares.

DEADPOOL

Lots of stuff.

It's awkward. Finally, Wolvie tries to grab the dog from Deadpool. Deadpool holds her back.

DEADPOOL (CONT'D)

No no.

(CONTINUED)

Wolverine manages to grab her by the scruff and toss her to Nicepool.

DEADPOOL (CONT'D)

The corn was too dense, girl. Fuck.

NICEPOOL

Whoa, whoa, whoa. Hey. Loved meeting you!

(to Wolverine)

Especially you. Your rage chakras are throbbing.

Music Cue: Avril Lavigne's cover of "I'M WITH YOU".

Sexy glamour shots of the Honda Odyssey. Camera tracks from the wheels, around the grill, and rakes across Wolverine in the driver's seat with Deadpool riding shotgun. Deadpool's head is out the window feeling the wind - like Lemon in "Logan".

*

Deadpool is playing around in the car, shooting fake webs from his hands.

WOLVERINE

Stop it.

Wolverine turns off the radio.

DEADPOOL

I love that song.

WOLVERINE

(re: silence)

I love *this* song.

DEADPOOL

Been a while since somebody's had a drink, huh? Feelings can swim, you know. You can't drown them, no matter how hard you try.

WOLVERINE

You hold their head under long enough...they'll stop squirming.

Wolverine turns the radio back on. But Deadpool's enjoying the conversation. He turns it back off.

(CONTINUED)

DEADPOOL

Here's the thing. I get that you're trying to forget everything, but what's with the suit? The first thing I did when I flamed out...I took mine off.

WOLVERINE

Drop it.

DEADPOOL

It's not that ugly...

WOLVERINE

Stop talking about my suit.

DEADPOOL

Did you make it yourself? Been there.

Wolverine is getting seriously pissed off.

WOLVERINE

Quit. Now.

DEADPOOL

Did the X-Men make you wear it? Those sons of fucking bitches. They are not your friends, I'll tell you that. Friends don't let friends leave the house looking like they fight crime for the Los Angeles Rams.

WOLVERINE

Shut the fuck up about the suit.

DEADPOOL

Whoa, whoa, whoa, watch your frown lines, angel baby. I'm just trying to bond a little bit.

WOLVERINE

Then talk about something else.

DEADPOOL

FINE. If they can fix your world what's the first thing you're gonna do when you get out of here? Some rubbing alcohol shots, maybe a wiper fluid chaser?

(CONTINUED)

49 (CONTINUED) (2)

49

WOLVERINE

(dark)

What'd you say?

DEADPOOL

I said when you get back, what's
the first thing you're gonna do?

WOLVERINE

No, no, no. Before that.

DEADPOOL

(realizing he's in it now)

...If...they can fix your world?

Wolverine JAMS THE BRAKES.

50 **EXT. WOODED ROAD - DAY**

50

THE ODYSSEY goes into a GNARLY spin. We finally skid to a
HALT facing the wrong way. Wide shot. Long beat of the car.

51 **INT. HONDA ODYSSEY - DAY**

51

We're back inside the car. Shock. A passenger side airbag
deploys beside Deadpool's head, firing him face-down into
Wolvie's crotch.

Wolverine grabs his head and pulls him upright:

WOLVERINE

Whaddya mean, "if"?

DEADPOOL

I mean...

WOLVERINE

You lied to me. You don't have a
fucking clue if they can help me
fix things, do you?

DEADPOOL

No. I...I mean...

Wolverine stabs his claws into Deadpool's thigh.

DEADPOOL (CONT'D)

OWWWWW. Fuck!? FUCK. I DIDN'T LIE!

WOLVERINE

YOU LIED.

(CONTINUED)

DEADPOOL

No, I made an *educated wish!*
Because I need you!

Deadpool whips out something from his pouch, shows it to Wolverine. It's the photo from his birthday party cake, a picture of all his Fox-world friends. He's kept it.

DEADPOOL (CONT'D)

This. This is why. Right here.
Because if we don't do something,
they die. I don't know anything
about saving worlds. Why would I
even care because MY entire world
is right here in this picture. It's
only nine people *and I have no idea*
how to save it alone. I know how to
fuck people up for money. But you.
YOU know how to save 'em. At least
the *other* Wolverine did. I guess
I'm stuck with the worst one.

WOLVERINE

Did you say you made an EDUCATED.
FUCKING. WISH?!

DEADPOOL

They call me the Merc With The
Mouth. They don't call me,
"Truthful Timmy, the blowjob queen
of Saskatoon."

Wolvie stares at Deadpool. Pulls his claw out of Deadpool's thigh and raises his fist. Scary. The words barely find their way through his rage and gritted teeth.

WOLVERINE

One more word. Please, give me one.

DEADPOOL

(considers)
Gubernatorial.

Wolverine almost lunges at Deadpool. Almost. But he stops. Suddenly revels in the chance to be even more hurtful.

WOLVERINE

You know what? You are a fucking
JOKE. No wonder the Avengers didn't
take you. Or the X-Men-- and
they'll take fucking anyone. I
mean, you are a ridiculous,
immature, half-wit moron.

(CONTINUED)

51 (CONTINUED) (2)

51

WOLVERINE (CONT'D)

I have never met a sadder, more attention-starved, jabbering little prick in my entire life and that says a lot because I've been alive for more than TWO HUNDRED FUCKING YEARS. And I'll tell ya, that bald chick was right about one thing... You will never save the world. You couldn't even save a relationship with a GODDAMN STRIPPER. And motherfucker, I WISH I could say you'd die alone-- but it's one of god's best jokes that you *can't* die. Except it's on all of us!

*

Deadpool is stunned. He looks hurt. REALLY hurt. Even Wolverine conveys a flicker of regret, but instead doubles down:

WOLVERINE (CONT'D)

You got nuthin' to say, MOUTH?!

An achingly long beat. Then:

DEADPOOL

(quietly)

I'm going to fight you now.

WOLVERINE

Oh.... ARE you--

BAM. Deadpool's fist bounces off Wolverine's face. Wolvie's face registers surprise. Then...RAGE.

WOLVERINE (CONT'D)

You're not talking now, are ya?

And folks: IT IS ON! The mother of all knife-fights in a phone booth. Except the phone booth is a mini-van.

52 **EXT. WOODED ROAD - DAY**

52

The exterior of the minivan, in profile, via locked off camera.

CLOSE ON: The vehicle rocks with the violence inside. A bumper sticker affixed to the Odyssey's ass-end:

*

Suddenly, SMASH! Wolverine launches out the front window. He picks himself up...

*

...WOLVERINE DIVES BACK THROUGH the window. CRASH!

More rocking, pitching, smashing.

53

INT. HONDA ODYSSEY - DAY

53

Relentless violence. Wolverine slams his CLAWS into Deadpool's chest below his STERNUM.

Wolverine starts rotating his FIST back and forth, CRACKING and POPPING Deadpool's RIBS.

Deadpool produces his KNIFE and goes to work on Wolverine, then pulls out the small PUSH-DAGGERS from his chest holsters and jackhammers Wolverine with them about six times before Wolvie knows he's even been stabbed.

Wolvie breaks Deadpool's arm.

DEADPOOL

No, no, no, AHHH! SON OF A--

The jaw-dropping symphony of carnage continues as every inch and accessory of the minivan gets deployed. Deadpool uses a SEATBELT to choke Wolvie.

*

DEADPOOL (CONT'D)

*

Is it Gubernatorial?

*

Deadpool stabs Wolverine in the leg.

DEADPOOL (CONT'D)

Baby knife.

Wolverine fights back.

DEADPOOL (CONT'D)

*

I take it all back. The Honda
Odyssey fucks hard. Too bad you
don't, needle dick.

*

*

*

WOLVERINE

Oh we're just getting started, bub.

Wolverine slams the claws on both hands into each side of Deadpool's head at the ears. The claws erupt from either side of Deadpool's head. As he starts to lose consciousness, Deadpool retrieves his knife and goes back to work.

54

EXT. HONDA ODYSSEY - DAY

54

The Odyssey continues to rock and shake.

A TIME LAPSE SHOWS THE PASSAGE OF DAY TO NIGHT TO BACK AGAIN.

When normal speed resumes, the van's movements have lessened. The rocks become smaller shudders... then comically DIE DOWN to just a little tiny squeaking/groaning.

(CONTINUED)

54 (CONTINUED)

At last the van grows STILL.

A beat.

Then it starts to barely rock/squeak a bit more.

Then grows STILL again.

A VAN DOOR FALLS RIGHT OFF.

55 **OMITTED (FORMERLY INT. HONDA ODYSSEY)** 5556 **EXT. HONDA ODYSSEY - DAY** 56

We pull back to reveal a pair of BOOTS. Someone's been watching this whole scene play out.

57 **INT. HONDA ODYSSEY - DAY** 57

BACK ON: a now-unconscious Wolverine and Deadpool.

Offscreen, we hear the Odyssey's engine start.

58 **EXT. HERO HIDEOUT - DAY** 58

The battered MINIVAN is parked outside a semi-concealed bunker in the woods.

59 **INT. HERO HIDEOUT - DAY** 59

Deadpool wakes up in the GIANT HULK BED FROM THOR: RAGNAROK. He spies Wolvie, looking out the window, HALF EMPTY BOTTLE OF JIM BEAM in his hand. Glass-eyed.

DEADPOOL

Where are we?

WOLVERINE

No clue.

(re: bottle)

But I like it here.

The two hear noise in the next room... Deadpool turns, in a flash he's on his feet reaching for his swords-- Before he can draw, his knee is kicked in by the blur of a black boot. THE BLADE OF A SAI instantly at his neck.

LOW HEROIC ANGLE REVEALING: **ELEVEN**.

DEADPOOL

Whoa, whoa, whoa.

From behind her, out steps a man: grey-streaked hair, apocalyptic but unmistakably, **BILLY**.

(CONTINUED)

A moment later, a MAN saunters in shuffling a deck of cards. He is... sex on legs. He is... GATSBY.

Billy points his sword at Wolvie.

DEADPOOL (CONT'D)
(stands, pretends to know)
Okay! Look at you! All. You must be the others. Terrific! So... just to... refresh... You are...
Wwwwonder Wom--

ELEVEN
Eleven.

DEADPOOL
Eleven! Yes! Who could forget! And you: I was not expecting to see you here. I thought you were, you know...
(mumbles)
Retired.

Billy glares at him intensely through his dark sunglasses.

BILLY
Retarded?

DEADPOOL
RETIRED. I'm already in the void. I'm not trying to get canceled again.

BILLY
(gets up in DP's face)
I don't like you.

DEADPOOL
You never did.

Deadpool is a little terrified of Billy.

DEADPOOL (CONT'D)
(eyes Gatsby)
And who's this succulent reminder of my own inadequacies? Look at you! You look like the superhero version of Hawkeye.

GATSBY
(barely understandable cajun accent)
Dey name's F. Scott Fitzgerald but you canna call me da Gatsby.

(CONTINUED)

DEADPOOL
(awkward beat)
It's been a while since I've seen
Sling Blade. Hit me again?

GATSBY
Dey calla me da Gatsby.

DEADPOOL
(suspicious)
Do they? You sure you didn't just
really, *really* want them to, but it
never quite worked out?

Gatsby charges and FLICKS A CARD. It nearly takes off
Deadpool's HEAD, and SLICES THROUGH WOLVERINE'S BOTTLE OF
BOOZE. Cutting it in half, perfectly, before exploding
against the wall. A shit-faced Wolvie barely acknowledges,
reaching for another bottle nearby.

GATSBY
(to Wolverine)
You know we never had a Wolverine
up in here. But I can tell you now
it's just a common courtesy to ask
'fore you drink up all of my
liquor.

WOLVERINE
Good thing I don't give a fuck.

Gambit throws a card in Wolverine's direction. It breaks the
bottle.

WOLVERINE (CONT'D)
Fuck.

DEADPOOL
So embarrassing.

Wolverine grabs another bottle.

DEADPOOL (CONT'D)
Now that that's settled. We came a
long way to find you three.

ELEVEN
There's four of us.

DEADPOOL
There's four? Wait, is it Magneto??
Dear sweet god in heaven let it be
Magneto because with HIM--

(CONTINUED)

BILLY

He's dead.

DEADPOOL

FUCK! What we can't even afford one more X-Man? Disney is so cheap. I can barely breathe with all this Mickey Mouse cock in my throat.

GATSBY

You nasty. Laissez le bon temps rouler.

DEADPOOL

Not a single word. What do you do exactly?

GATSBY

I charge the playing cards, make 'em go BOOM.

DEADPOOL

Your power is close up magic? That's good. We're not totally fucked at all.

(to Eleven, re: hideout)

How'd we get here?

*
*

LEMON (O.S.)

That would be me.

REVEAL: **THE LEMON**. Standing in the doorway.

LEMON (CONT'D)

Don't make me regret it.

Lemon stares at Logan with feeling. She's seeing a living ghost. Logan stares back at Lemon without recognition. Deadpool is a different story.

DEADPOOL

HOLY SHIT. Logan, that's her. That's Lemon. She's the one I told you about! How'd you all get stuck in the Void?

BILLY

There was a knock at the door. TVA sent me here.

ELEVEN

Me too.

(CONTINUED)

GATSBY

Maybe I was born here. Hard to know
fo' sho'.

BILLY

TVA decided our universes were
dying. And I never even got a
chance to fight for them.

ELEVEN

People like us don't go quietly.
TVA knows that, so they took us
out.

DEADPOOL

The answer is yes. I'm in.

BILLY

In what?

DEADPOOL

A team. Me, you, you, and me. All
of us together. Let's get the fuck
outta this place.

WOLVERINE

Don't listen to him, he's a fucking
liar.

DEADPOOL

(to Wolvie)

IT WAS AN EDUCATED WISH!

(to the heroes)

Look, we've been inside Cassandra's
lair. The only way outta the Void
is *through her*. She can get us
home. She told us.

*

Billy leans in close. Terrifying.

BILLY

Wait. You been inside? And you made
it out alive?

ELEVEN

Bullshit. Nobody's ever done that.

DEADPOOL

We did.

GATSBY

Every timma one of us has gone
against her they die. The Punisha.
Quicksilver. Da Daredevil.

(CONTINUED)

DEADPOOL
(to Eleven)
Daredevil. I'm so sorry.

ELEVEN
('Trust me')
It's fine.

DEADPOOL
Okay.

GATSBY
Even our sweet baby angel Jonathan
Byers. He up and gone missin' not
but two days ago.

Enormous pause. Deadpool slow burns a look to Wolverine who
just stares vacantly at his beloved bottle.

DEADPOOL
Ugh that's so sad. Wherever this
Johnny fellow is, I'm sure he's
thriving.

Then:

DEADPOOL (CONT'D) (CONT'D)
Look, there's strength in numbers,
alright. Us plus you guys, we can
put Cassandra over our knee and
force her to let us go! I know what
it means to feel self-doubt...

ELEVEN
I don't feel that at all.

BILLY
I'm good.

DEADPOOL
...gnawing at your gut like a coked-
up tapeworm...

GATSBY
Is'like you're holdin' a mirror up
to mah soul.

DEADPOOL
You guys might not have been able
to save your universes, but you can
avenge them. It's what Jonathan
would have wanted.

(CONTINUED)

ELEVEN

Wait. You *knew* Jonathan?

A wobbly Wolverine pipes in.

WOLVERINE

Yeah. Dickhead here talked him into a team up and Jonathan came down with a little case of the 'deads.'

DEADPOOL

No, no, no. We don't know that. He may have survived.

WOLVERINE

If he survived that, he is praying for death.

DEADPOOL

Well thank you, DOCTOR Wolverine.

BILLY

(to Deadpool)

Spill it.

GATSBY

Whatta you do to Jonathan, uh? Talk or I'm'a start dealin'.

Gatsby shuffles... Menacingly? Deadpool spills like a trauma survivor:

DEADPOOL

Okay, hey hey hey. Look, he ran his fat ass mouth around Cassandra... And she zip zapped his skin, leaving his organs to splash crudely onto the ground while the soil greedily drank his blood-- It was horrible. He was like a brother to me. Look, he died before he could make a difference! Maybe you couldn't save your worlds. But jesus christ you could save mine!

*

ELEVEN

(to Billy)

I don't give a shit about your world, but if these two made it out of there alive, maybe together we can get back *in*.

(CONTINUED)

GATSBY

Where I come from, we call that suicide.

DEADPOOL

If we can block her psychic powers, we can get a leg up. I know it. Now I know Magneto's dead, but I'd venture to guess that his helmet is lying around here somewhere.

BILLY

Cassandra melted the helmet.

DEADPOOL

FUCK.

BILLY

After she killed him.

DEADPOOL

FUCK!

*

BILLY

She don't play.

ELEVEN

She knows that helmet was the only way to protect anyone from her powers. The only other helmet that strong is Juggernaut's. But he works for Cassandra.

DEADPOOL

Juggernaut's helmet. That's it.

GATSBY

An' we done be knowing that lid ain't comin' off 'thout the dome gon' come wit' it.

DEADPOOL

I'm so sorry, Beautiful. I want this to be gentle. Who is your dialect coach? *The Minions*? I feel like we are missing critical exposition here.

A beat. A plan starting to form. Eleven and Billy share a look. Lemon and Gatsby too.

ELEVEN

I'm sick of this. I'm sick of this shit. I'm sick of hiding.

(CONTINUED)

(CONTINUED) (8)

ELEVEN (CONT'D)

Let's face it, our worlds forgot
about us.

GATSBY

(quick add)

Or never learned about us.

ELEVEN

The heroes we were.

BILLY

Lives we saved.

GATSBY

(another quick add)

Or wanted to save.

ELEVEN

Maybe these two are our chance. To
be remembered. *The way we deserve.*

DEADPOOL

Yes.

ELEVEN

An *ENDING*.

A beat.

BILLY

A legacy.

DEADPOOL

Yes, yes! Let this man cook. This
is what I'm talking about. *Big slow
motion fight, sad music, everybody
working together, who knows if you
lived or died...* That sorta thing.

(then)

Who's ready?

Billy SMILES for the first time.

BILLY

I was born ready.

DEADPOOL

YES. Gatsby?

GATSBY

I ain't know my daddy, but I'm sure
I shot out of his dick ready.

(CONTINUED)

DEADPOOL

Jesus christ that is graphic.

GATSBY

Yeah, he was layin them buttery
nuts all up in m'mama and I shot
out there and I said 'what's up
doc?'

DEADPOOL

Jonathan must have loved you.

(then)

Lemon, what's it gonna be?

*

*

LEMON

The name's Lemon. Let's fucking go.

Momentum building...

DEADPOOL

Let's fucking go.

BILLY

It's on like chicken and corn.

DEADPOOL

Yeah.

ELEVEN

We're doing this.

WOLVERINE

You're all fucking dead.

DEADPOOL

My GOD! *Read the room!*

Wolvie heads for the door. Grabs a fresh bottle on his way.
To Gatsby, raising his bottle.

WOLVERINE

Wow, look at all these winners.

(to Gatsby)

Thanks for the splash.

Wolverine exits. Lemon watches him go.

*

Later now. Wolverine sits alone by a fire in the woods
adjacent to the bunker, drunk off his ass...

The sound of footsteps crunching on earth as we ANGLE ON:

(CONTINUED)

Lemon. She's come looking for him.

LOGAN

Not looking for company. Get out of here.

Lemon sits down across the fire anyway.

LEMON

You remind me of him. Angry, drunk, mean.

LOGAN

Sounds like a great guy.

Wolverine takes another MASSIVE PULL off his BOTTLE OF WHISKEY.

LEMON

I wasn't finished...you showed up when it mattered the most. Couldn't help it.

(beat)

You might not know it, but you're a good man, Logan.

LOGAN

(chuckles, rueful)

You might not know it, but apparently I'm the worst Logan.

LEMON

I got to have a life *because of* you. I got to grow up because of you. A lot of kids did.

Logan scowls.

LOGAN

A lot of kids *didn't* grow up because of me.

*

*

That hangs there. What is he talking about?

LOGAN (CONT'D)

Trust me, kid, I'm no hero.

LEMON

That suit says different.

Logan looks at his suit, as if noticing it for the first time. Laughs softly, empty.

(CONTINUED)

LOGAN

Ya like it? Scott used to *beg* me to wear it. So'd Jean, Storm, Beast... All of them. Wanted me to be part of the team. I wouldn't. Told them they all looked fucking ridiculous. I couldn't have 'em thinking I wanted to be there.

(beat)

Then one day, while I was off on my own...*the humans came*. Went mutant-hunting.

LEMON

I can guess the rest.

LOGAN

No, no, let me say it. I need to say it.

(a breath, then)

By the time I stumbled home shit-faced from the bar, it was too late. They were dead. Every...

Logan stares at the fire. Holding back some unseen torrent.

LOGAN (CONT'D)

This suit's all I got to remind me of who they were. And what I did. For years I wouldn't put it on and now I'll never take it off.

LEMON

We're headed to Cassandra's at sunup.

LOGAN

Have fun. It's not my fight.

LEMON

We can't pull this off without you.

Lemon gets up.

LOGAN

Hey, whoever you think I am, you've got the wrong guy.

LEMON

You were always the wrong guy.

Logan takes one last swig from his bottle.

What?

It's PYRO, rooting around in the Diner that Wolverine and Deadpool ate in. INTERCUT as needed:

PYRO

Alioth didn't get them. Cassandra wanted to play with them herself first and they got away.

Mr. Paradox looks genuinely concerned.

MR. PARADOX

Did they find the others?

PYRO

No.

MR. PARADOX

Good. Alright.

PYRO

The others found them.

MR. PARADOX

Oh, very cute. Well done, Pyro. Classic bait and switch. You really got me there.

PYRO

Relax. If they come after Nova, she'll handle it.

MR. PARADOX

Cassandra is a lunatic wildcard. Why do you think we put her there in the first place? Thank god she's never chosen to leave the void. The time ripper is hours away from completion. I cannot take any chances!

The van's SIDE DOORS SLIDE OPEN. In SLO-MO, our heroes GET OUT and assume a WEDGE FORMATION in front of the VAN.

LEMON. ELEVEN. BILLY. GATSBY.

And taking his place at the point of the spear... DEADPOOL.

Then, just when we think shit can't get cooler, the TRUNK of the MINIVAN opens, slowly, automatically, the way those things do.

A set of fingers wrap around the rearmost pillar, revealing:

...ADAMANTIUM CLAWS.

Out of the back of the minivan steps...

...WOLVERINE. Ready for fucking hell.

BILLY

Oh, this is going to be good.

GATSBY

You know how long I been waiting for this? Woo, I'm bouta make a name for myself here.

Cassandra's henchmen leave their posts. It's a murderer's row of VARIANTS:

BILLY

You just stay on our six and get inside. We'll make sure you get the package.

Gatsby throws cards, clearing a path.

GATSBY

BILLY

The four heroes MOW through the formidable foes, making a path for Deadpool and Wolverine to make their way to the fortress.

E/I. CASSANDRA'S INNER SANCTUM - DAY

Deadpool and Wolverine enter the hollowed out BRAIN CAVITY of the GIANT SKULL. It's spartan - think... the interior of a skull.

Cassandra sits on a throne in the center of the room.

CASSANDRA NOVA

You two escaping I could live with. But coming *back*? Willingly? Boys are so silly.

DEADPOOL

I just need to get home.

She turns to Wolverine.

CASSANDRA NOVA (CONT'D)

Finally. It's nice to give someone

WOLVERINE

Not my strong suit.

Cassandra forces Wolverine's claws into the ground.

EXT. GIANT SKELETAL ARENA - DAY

Absolute MAYHEM has erupted in the ARENA. BILLY, ELEVEN,
GATSBY, and LEMON are a virtual CUISINART of stakes, sai
blades, playing cards, and claws.

Lemon betrays the smallest hint of a Mona Lisa smile. It's
almost like she WANTS THIS. Juggernaut points his beefy
finger right at Lemon.

And with that, Juggernaut and Lemon charge right at each
other!

Meanwhile, BILLY cuts off TOAD'S TONGUE and STRANGLES him
with it before plunging a KNIFE right into the villain's
skull.

GATSBY's playing cards are way, way deadlier than we might
have given credit.

JUGGERNAUT charges right at Lemon, but Lemon is too fast, too
vicious. She slides low, ducking his arm and taking out
Juggernaut's achilles. He falls to one knee, struggling to
stand. He manages to turn around but she's GONE. Out of
nowhere, she's now behind him. Slashes the other Achilles.
Juggs is on both knees. Excruciating pain. She slides to a
stop.

LEMON

Adios, Pendejo.

Like a god damn vision, she hunkers down and heads straight
for Juggs one last time. Blades out. She launches herself

Deadpool lies in a heap, knocked out cold from the bashing he's just taken. Cassandra now turns her attention towards Wolverine.

CASSANDRA NOVA

You are an interesting one, aren't you? I do feel like you get lost behind all of his--

(makes yapping motion)

Deadpools are a dime a dozen here in the Void, but you...

Wolverine pops his claws and lunges! He throws clawed-haymakers at Cassandra, but she dodges them with subtle but freakish agility, weaves through his strikes and latches her hand onto the back of his head. Instantly, Wolverine is forced down onto his knees in a supplicant pose, his claws plunged down into the ground, trapped. Cassandra crouches down next to him, her face inches from his.

CASSANDRA NOVA (CONT'D)

(re: his head)

What's going on in here?

Then she PLUNGES her fingers deeper into Wolverine's mind. Her eyes roll back in her head.

THE SOLDIERS.

CASSANDRA NOVA (CONT'D)

(sympathetic)

You found them. The X-Men.

WOLVERINE

Dead. Piled like wood.

CASSANDRA NOVA

What did you do?

WOLVERINE

I started killing. And I couldn't
stop. I didn't want to stop.

CASSANDRA NOVA

All those bad men.

Wolverine is consumed by guilt. He's never said this out
loud.

WOLVERINE

Not just the bad ones.

Cassandra is so impressed.

CASSANDRA NOVA

My little animal.

WOLVERINE

I did things you can't forget. And
I turned the whole world against
the X-Men.

CASSANDRA NOVA

You killed Xavier's dream.

Wolverine nods. Disarmed. A kind of serenity flows through
him. One we haven't seen.

78 **EXT. GIANT SKELETAL ARENA - CONTINUOUS** 78

We are tracking with Lemon, wearing her backpack, as she races through the fight-pit, charging through a path cleared by Eleven, Billy, and Gatsby who continue to absolutely fucking decimate their foes.

Lemon LEAPS from the blood-stained ground UP TO THE FACE OF THE GIANT SKULL, which she proceeds to run at an impossibly fast speed, her claws and foot-claws like crampons, as she scales the face of the giant skeleton towards the eye socket.

Just as Lemon reaches the eye socket she is YANKED OFF the face of the skull by PSYLOCKE'S WHIP!

Down on the ground below, Psylocke YANKS HARD, pulling Lemon off the skeletal face.

WITH LEMON IN SLO-MO:

WITH PSYLOCKE'S WHIP WRAPPED AROUND HER WAIST, Lemon flings her backpack into the eye-socket as she gets ripped off the skull and pulled violently back down into the pit.

The backpack BARELY makes it inside, vanishing as it enters the eye socket.

Still in SLO-MO, Lemon falls back towards the earth. With laser-focus SHE TURNS IN MID-AIR and locks in on Psylocke down below, still holding the other end of the whip.

Psylocke meets Lemon's gaze, *seeing her own imminent doom.*

Lemon lands HARD on the earth below, KILLING Psylocke before she even knows what hit her.

(strokes his head)

I've got you.

Wolverine looks up.

WOLVERINE

Wolverine stands, triumphantly, claws popped.

DEADPOOL

Can't do that. You made Mr. Stabbins angry. You're going to send us home, or I'm going to twist your fucking head off-- why are you laughing?

Indeed, Cassandra has started laughing.

CASSANDRA NOVA

I can't send you home unless you get this thing off my head. And as soon as you do *that*, I'm going to boil your brains on an atomic level whilst flicking my bean to the Enya box set.

*

DEADPOOL

There's an Enya box set?

Wolverine and Deadpool shoot each other a look. *Shit.*

Deadpool punches the fucking SHIT out of him, dropping him to

WOLVERINE

Not everyone gets a speech.

(then)

Fuck. She's going to die.

DEADPOOL

(to Cassandra)

Okay, if I take this helmet off. Do
you promise you won't kill us?

WOLVERINE

Fuck.

CASSANDRA NOVA

I promise I will kill you first

DEADPOOL

WHY ARE YOU LIKE THIS?!

CASSANDRA NOVA

WOLVERINE

DEADPOOL

Deadpool just looks at Wolverine, shocked.

WOLVERINE

Take it off!

DEADPOOL

Why? This is our only chance to fix our shit.

Wolverine gets serious.

WOLVERINE

TAKE IT OFF. I'm wearing the suit, and that means a lot of things, but most of all it means I'm an X-Man. I am *the* X-Man. And I know your brother. As much as I want to fucking kill you with every bone in my body. I want to fucking kill you. He would not let me stand here and watch you die.

(beat)

Take your hands off.

Cassandra is shocked...because she *felt that*.

WOLVERINE (CONT'D)

This is for Charles.

Wolverine removes the JUGGERNAUT HELMET.

Cassandra's wounds instantly SNAP shut. Cassandra lifts her arm in Deadpool's direction.

DEADPOOL

DEADPOOL
Strange.

Cassandra gestures out the eye socket, creating a glowing

DEADPOOL (CONT'D)
(breathless)
Oh. Marvel sparkle circle.

WOLVERINE
What is that?

CASSANDRA NOVA
This is your way home. I do owe you
for saving my life.

She makes a sound, like a master calling their pet. The
ground trembles and the sky darkens as ALIOTH appears on the
horizon, SPEEDING TOWARDS Cassandra's compound.

Cassandra steps down from the edge of the eye socket, turns
to Deadpool and Wolverine.

CASSANDRA NOVA (CONT'D)
But let's keep things interesting.
I'd say you have about four seconds
before you're food.

A beat.

DEADPOOL

Race ya.

Deadpool and Wolverine take off towards the eye socket as we

In profile we see our heroes LEAP OUT from the skull at the same instant that Alioth meets them, the Marvel Sparkle Circle between them in the air.

As Alioth hurtles through, the air finally clears, REVEALING NOTHING BUT THE CIRCLE LEFT BEHIND. Whether Deadpool and Wolverine lived or died, we don't yet know.

CRASH! Wolverine and Deadpool crash down from the sky into the roof of the CARNIVAL. A beat. Peter holds the keys, his smile frozen.

ELEVEN-YEAR-OLD

HOLY SHIT! That's Deadpool.

EIGHT-YEAR-OLD

MR. PARADOX

Paradox goes pale. The GROUND SHAKES. ENERGY CRACKLES in the

SLAM CUT TO: Mr. Paradox in CLOSE-UP, Cassandra's pointy fingers extending out through his skull.

WIDER NOW, we see Mr. Paradox being awkwardly forced to hit various TIME RIPPER CONTROLS.

Cassandra smiles and PULLS her fingers from Mr. Paradox's head. He screams, huddling into a ball on the ground.

CASSANDRA NOVA

Thank you so much for your help, darling....God, good to get out of that head. What a mess.

104 **INT. TIME RIPPER CHAMBER - DAY**

104

The TIME RIPPER whirs to life, ENERGY CRACKLES, arcing to the walls around it. Cassandra approaches it.

Unaffected by the energy sloughing off the device, Cassandra removes the machine's PROTECTIVE SHIELDS with a gesture, revealing two WHITE HOT LEADS.

Cassandra grabs the leads. Untold power courses through her body. SHE ABSORBS IT. Becomes it. Reality flexes around her.

Go, go, go.

Oh, my God! OH MY GOD.

And then, in the delicate silence...a dog's YAPPING.

DOGPOOL LEAPS out of the REALITY TEAR and happily runs to Deadpool. Toto reuniting with Dorothy.

NICEPOOL (O.S.)

Sorry!

DEADPOOL

FUCK.

NICEPOOL comes jogging up.

DEADPOOL (CONT'D)

What's top-knot doing here?

NICEPOOL

Sorry about that.

DEADPOOL

Tremble not, sweet Mary Puppins.
I'll handle him.

NICEPOOL

Come here, girl. Papa's here.

DEADPOOL

Do not insult this animal's
autonomy. She can decide who her
papa is.

(holding Dogpool up)

What's it gonna be, girl, huh? The
original recipe or Van Milder here.

NICEPOOL

Ah, that's funny. I can gently tap
the fourth wall too.

(to camera)

The Proposal!

DEADPOOL

What the fuck was that? Bitch, you
think that's what I do?

It's a freak show. Variant after Variant of Deadpool. PUNKPOOL, SAMURAI DEADPOOL, COWBOYPOOL, ZENPOOL, WELSHPOOL.

They're led by LADY DEADPOOL and KIDPOOL, holding HEADPOOL.

NICEPOOL

I told you there were a lot of Deadpools over there.

DEADPOOL

Holy shit.

WOLVERINE

I take it they're not friendly?

NICEPOOL

No no no. Cassandra brought them here. Their only job is to make sure that nobody gets anywhere near her.

Deadpool kisses Dogpool, passes her to Wolverine.

DEADPOOL

Hold please.

WOLVERINE

Oh, god.

DEADPOOL

Alright, look! Guys! Deadpool Prime here. Our fight isn't with you!

KIDPOOL

Hey! When we want your opinion I'll take my dick out of your mouth!

DEADPOOL

Can we just be done?

LADY DEADPOOL

Ah ha ha, we are JUST getting started.

DEADPOOL

NICEPOOL

I think it's been steadily great since Endgame.

LADY DEADPOOL

What are you talking about? The multiverse is over.

COWBOYPOOL

Cassandi gonna destroy the fuck out of every timeline. And you all can't do shit about it.

*
*

DEADPOOL

Do you not get it? If we don't go down to the subway and stop her we all die.

COWBOYPOOL

The boss lady don't want no disturbances.

HEADPOOL

You wanna get down to the subway, you gotta go through us.
(to Lady Deadpool)
Uzi time, baby.

LADY DEADPOOL

Uzi time, baby.

DEADPOOL

LADY DEADPOOL OPENS UP with her UZIs. WOLVERINE DIVES behind a CAR. DEADPOOL grabs Nicepool, using him as a human shield.

Nicepool is RIDDLED with bullets.

Deadpool cradles the fallen Nicepool. He's PALE WHITE. Coughing up blood.

DEADPOOL

I did no such thing!

(to Nicepool)

Listen to me, gorgeous. How long
does it take for you to regenerate?

NICEPOOL

Regenerate?

Awkward, awkward silence. Deadpool scratches his chin.

WOLVERINE

You really are God's perfect idiot,
aren't you?

NICEPOOL

I'm okay.

*

*

DEADPOOL

How dare you? I should be ashamed
of yourself. How was I supposed to
know he doesn't regenerate?! I'm
not a medicine woman!

*

*

Deadpool wrenches Nicepool to his feet, sees a DONUT STAND.

DEADPOOL (CONT'D)

Look, a donut cart. They're
practically hospitals! They sell
portable triage units.

WOLVERINE

They don't.

DEADPOOL

I'm gonna get you to safety.

WOLVERINE

(to Dogpool)

He's not.

DEADPOOL

Deep breath.

Deadpool crosses the line of fire once more. But it's clear he's using Nicepool as a human shield, AGAIN.

NICEPOOL

Hey. Why are we stopping?

DEADPOOL

(turns Nicepool facing
out)

I'm just catching my breath. What,
are your legs on vacation? You're
dead weight.

NICEPOOL

That's because I'm paralyzed.

DEADPOOL

We all have problems. Listen to me.
You're going to live. Look at me,
Nicepool. You're going to live. Say

*

NICEPOOL

I'm going to live.

DEADPOOL

NICEPOOL

I'm going to live!

DEADPOOL

NICEPOOL

BLAM! This time Nicepool's head is blown clean off.

As Deadpool ducks behind the Donut stand, he desperately
performs chest compressions on Nicepool, which just produce
intermittent BLOOD-GUSHES out of the neck stump.

*

Wolverine crosses to the Donut cart.

He holds Dogpool out like a shield.

HEADPOOL

Hold your fire!

The Deadpool Corps hold their fire.

Deadpool's face is covered with BRAIN PARTICULATE and NICEPOOL'S EAR, with a small cuff on it. Deadpool notices Wolvie staring at him with disgust.

DEADPOOL
GODDAMNIT! I don't think he's going

(then)
Do I have anything on my face?

WOLVERINE
You have a whole face on your face.

DEADPOOL
God, I can taste his final thought.
He was so afraid. But he died a

WOLVERINE
He died from murder, you dumb fuck!

DEADPOOL
And all I have to remember him by

This is for him, are you ready?

WOLVERINE
I get to kill a hundred yous. Fuck
yeah I'm ready.
(to Dogpool)
You don't want to see this, bub.

DEADPOOL
That's a good girl.

Deadpool and Wolverine step out from cover and cross into the middle of the street.

Stunned, Peter removes his mask. The crowd goes WILD! He

DEADPOOLS

They hoist Peter on their shoulders.

DEADPOOL

(headed down subway steps)

They are going to put miles of cock

Deadpool and Wolverine disappear into the TVA outpost.

INT. TVA OUTPOST - CONTROL ROOM - DAY

Deadpool and Wolverine race into the control room. Mr.
Paradox looks back from his control panel.

MR. PARADOX

Oh, now you're here. Oh well you're
too late. It's all over.

WOLVERINE

Not yet it's not.

DEADPOOL

(to camera)

No, no, no. But we're very close.
Homestretch, folks. Promise.

(to Mr. Paradox)

Quick, let's have the stakes.

(CONTINUED)

MR. PARADOX

If she steals the Time Ripper's energy she has the power to shred the fabric of all realities until there's nothing left but the Void.

*

WOLVERINE

How do we shut it down?

MR. PARADOX

I-I don't know...

Wolverine pops his claws but leaves the middle blade retracted, so he can pin Mr. Paradox's head to the console, one claw on each side of Mr. Paradox's neck.

WOLVERINE

How about now?

DEADPOOL

The mask is really intimidating, huh? Not stupid like Batman.

MR. PARADOX

L-look...

Mr. Paradox brings up THE VIDEO FEED OF THE TIME RIPPER'S REACTOR POWER SOURCE, deep in the outpost's bowels.

Two MASSIVE PLASMA PIPES rise up from the floor, snake around each other (while never coming closer than 10 ft to one another) and exit through the ceiling. One PIPE crackles with ORANGE energy. The other's is a DEEP BLUE.

*

MR. PARADOX (CONT'D)

The Ripper is fed from a secured chamber below ground. It is powered by twin matter and anti-matter feeds converging inside the device. Now Cassandra Nova is redirecting the Ripper's power to eliminate timelines, all of them. No timeline will be safe from extinction. Now theoretically you could stop her by short circuiting the feeds in the chamber below. If one of you were to create a circuit between the two feeds, then the released power would destroy the machine, but...

WOLVERINE

I could live with that.

DEADPOOL

Yeah, I could live with that too actually. We survive anything. We're like cockroaches.

MR. PARADOX

Not this time. This is matter and anti-matter. They do not play nicely with each other. When they mix in your body you will be atomized. Trust the laws of physics if you don't trust me. Even if you lived long enough to make the circuit you will die down there.

Deadpool and Wolverine stare at the screen, watching Cassandra feed the Time Ripper.

106 INT. LOWER TVA OUTPOST - SUBWAY TRACKS - DAY

106

Deadpool and Wolverine march along the SUBWAY TRACKS leading toward the REACTOR POWER SOURCE.

107 INT. TVA OUTPOST - POWER ROOM - CONTINUOUS

107

They approach a massive BLAST DOOR at the end of the tunnel leading into the POWER ROOM. Wolverine stops Deadpool before they enter.

WOLVERINE

Hold up, hold up. You heard that asshole upstairs. Even if we pull this off, we're dead. Permanently.

*

DEADPOOL

That's why it's gotta be me.

WOLVERINE

What?

Wolverine is stunned. Deadpool takes a breath. Removes his mask.

WADE

Look, man, you didn't ask for any of this. You were right. I lied.

(CONTINUED)

WADE (CONT'D)

I lied right to your face just to get you to help me, and you did.

WOLVERINE

You didn't lie.

(beat)

You made an educated wish.

Wade can't help but smile through the emotion. Lotta road traveled here. Wolverine pulls out the crumpled picture from Wade's birthday. He kept it.

WOLVERINE (CONT'D)

Come on. You've got a whole world to go back to. I got nothin'. I got nothin'. Give me this.

Wade is speechless with gratitude. Staring at the photo. We see the faces of Wade's family. His friends. Vanessa. His world. Wolverine pushes the photo into Wade's chest, before he turns and walks towards the power room.

WADE

Hey!

Wolverine stops in the threshold, looks back.

WADE (CONT'D)

I waited a long time for this team-up.

(beat)

And ya know something? You were the best Wolverine.

WOLVERINE

Say hi to your friends for me.

Wolverine meets Wade's gaze. A small nod of acknowledgment. Hard to read his feelings with his mask on, but his voice tells a different story.

Deadpool MASKS UP.

Wolverine smiles almost imperceptibly. Nods. Steps inside the blast door, turns to close it when WHAM!! He's clocked right in the skull by a fire extinguisher wielded by Deadpool. Wolvie reels and recovers, but it's too late:

SLAM!

Deadpool shoves Wolverine aside, slams the door shut and SPINS the LOCKING WHEEL INSIDE. Wolverine pounds on the door, yells at Deadpool through the window in the blast door.

(CONTINUED)

WOLVERINE (CONT'D)

Open the door! Why are you fucking
doing this?

DEADPOOL

(beat)

Because I'm Marvel Jesus. Or Spock.
Hard to say.

WOLVERINE

Wait, you fucking idiot.

Deadpool starts miming in front of the door.

DEADPOOL

Sorry, I'm just stalling. I think
I'm nervous about dying.

*
*

WOLVERINE

You don't need to do this.

*
*

DEADPOOL

(holding up picture of
friends)

I'm not doing it because I need it.
I'm doing it because they do.

*
*

WOLVERINE

Wade! Wait to be an annoying prick!
It should be me. You're going to
die in there, you dumb fuck.

*
*
*
*

Deadpool steps away. Wolverine puts dents in the steel door
with his fists. But it's too thick. Steps back and with a
running start, lowers his shoulder and bashes into the door,
testing the limits of his strength and the door's hinges.

Deadpool stands in front of the snaking tubes pumping PLASMA
and ANTI-PLASMA to the Time Ripper high above.

He takes it all in. The powers at play are truly awesome.

DEADPOOL

Fuck it. Time to save the world.

Madonna's "Like a Prayer" reprises. Deadpool grabs the PLASMA
TUBE. The energy snakes up his arm, wracking his body with
pain.

With a truly super human effort he stretches his hand closer
to the ANTI-PLASMA tube to complete the circuit. Wolverine
rams the door futilely.

(CONTINUED)

Deadpool's arms widen, like the Savior on the cross. This is his destiny. His sacrifice.

Pull out to reveal he's a SOLID EIGHT FEET from the ANTI-PLASMA tube.

Mr. Paradox watches.

MR. PARADOX

He's not going to make it. It's over.

Back on Deadpool. He stretches his fingers, so hard they look like they'll pop out of their sockets. NOT EVEN CLOSE. Still he keeps Reaching. *Reaching...Reaching...*

Suddenly a hand grabs hold of Deadpool's forearm

WOLVERINE MADE IT INSIDE. Wolverine came for him.

They lock eyes. Wolverine NODS.

Like a Prayer turns orchestral. Epic. Wolverine's arms stretch wide. Two saviors. Side by side...

...but still a foot short!

That is, until Wolverine POPS HIS CLAWS. They extend...and...

THE CIRCUIT IS COMPLETED. The heroes are wracked with an INCREDIBLE AMOUNT OF ENERGY.

MONTAGE OF FLASHBACKS:

MR. PARADOX (CONT'D)

This Wolverine let down his entire world.

DEADPOOL

The Wolverine is a hero in my world.

WOLVERINE

The powerful forces at play test the integrity of Deadpool's TVA-issued suit, while WOLVERINE'S MASK gets partially ripped away, then his chest armor is BLOWN RIGHT OFF, revealing insanely cut ABS. Even wracked with energy, Deadpool manages to ogle him.

The energy feeding Cassandra changes...she screams in pain.

The TIME RIPPER atomizes, OBLITERATING CASSANDRA NOVA.

And presumably our HEROES.

MR. PARADOX

Well, somebody had to be.

B-15

We had some strange readings from this location. You wouldn't know anything about an unsanctioned Time Ripper would you?

MR. PARADOX

No, no. I wouldn't know anything about an unsanctioned Time Ripper. Maybe you should ask Cassandra Nova, because I was assured she was safely held in the void. But no, she was here...and she fondled my brain! How did you let this HAPPEN??

An unholy MOAN fills the air. Wolverine sniffs the air,
repulsed.

Wade's face LIGHTS UP AS HE SEES SOMETHING EMERGING FROM THE
WRECKAGE:

DOGPOOL, waddling sheepishly up to the guys.

WADE (CONT'D)
Oh, fuck off! Come here, my little
cuntchkin! Yes, it's you. You're a
survivor. She made it!!

Wade scoops the hairless abomination into his arms, snuggling
her with absolute love.

WADE (CONT'D)
All's right in the world. Yes, it
is.

A beat. Wade turns to Wolvie.

WADE (CONT'D)
So. What're you gonna do next?

WOLVERINE
I'll figure it out. I always do.

WADE

So... I'll probably see ya around?

WOLVERINE

Probably not.

A beat.

WOLVERINE (CONT'D)

See you, bub.

Wade nods. Wolverine stands up. Nods at Wade and heads off down the street, getting smaller and smaller into the distance.

THEN:

WADE

(calling down the block)
Logan!

Wolverine keeps walking.

Then stops. Turns back to Wade with *the barest* hint of a smile.

We hear the first notes of **Joe Cocker's, "WITH A LITTLE HELP FROM MY FRIENDS"**.

113

INT. WADE'S APARTMENT - DAY

113

Deadpool takes his mask off as he leads Logan inside...

WADE

Al? I'm back!

Blind Al comes out from the bedroom.

BLIND AL

About damn time! You holdin'? I'm all outta devil's dandruff and I'm shakin' like an angry vibrator--

WADE

Thank you, Al. We have company.
Althea, uh... this is Logan...

BLIND AL

Nice to meet you, Logan.

LOGAN

Nice to meet you too.

WADE

(off Dogpool)

And this little ancient anal shit-nod is Mary Puppins. Or as I like to call her, Dogpool. You want to treat yourself to a little stroke? Get the tongue.

BLIND AL

Oh my god. Motherfucker.

WADE

Right? It's like an armadillo fucked a gremlin. Angrily. In a bed of gonorrhea. And didn't stop until the sun came up.

114 **OUR SONG CONTINUES:**

114

TIGHT ON WADE looking wistful. Grateful. We see what he's looking at. His world. His universe... AKA: His friends.

Everyone from his birthday party is here. Over music, we see Wade and Vanessa lock eyes. The chasm between them, perhaps a little closer now. A flicker of hope. He continues looking at her as Dogpool's tongue explores the inside of Wade's mouth. As the camera pans across everyone's faces, we see the relaxed joy among these pals.

WADE (V.O.)

Everyone wants to matter. Turns out ya don't need to be Marvel Jesus to do it. You just need to open your eyes and look around. And if you're lucky? You'll find a few friends. Old friends...

We finally drift to a stop at an unexpected face... LEMON.

WADE (V.O.)

...And new.

115 **INT. PETER'S APARTMENT - HALLWAY - DAY**

115

Close on B-15.

WADE (V.O.)

Including some in pretty high places.

She looks happy. Perhaps... smitten. She leans in and kisses... **PETER.**

(CONTINUED)

We see we're at the door of an apartment. Peter looks obscenely happy.

PETER
Thanks for your help with that
Lemon thing.

*
*

B-15
We don't speak of that.

*
*

They kiss.

*

A time door opens behind her. With an effortless cool, she steps back in and DISAPPEARS.

117 INT. WADE'S APARTMENT - LATER 117

From across the room, we see Wade and friends laughing, drinking, enjoying their time together deep into the night.

Logan catches Wade staring at Vanessa.

LOGAN
Give me the fucking dog. Talk to
the girl.

Wade turns to Vanessa.

VANESSA
Oh hi.

WADE
Hi.

VANESSA
You've been busy.

WADE
I did it for you. Even if you don't
want me. I did it for you.

WADE (V.O.)
Turns out I am the world saving
type. Just look around this table
if you want proof. And the best
part? Sometimes the people we save?

Camera slides slowly as we RACK FOCUS to the foreground where we REVEAL:

The two legendary masks. Deadpool and Wolverine. Battered-to-shit and worse for wear, *but intact*. Sitting on the counter casually, but no less iconic.

WADE (V.O.)

They save us right back.

CREDITS.

Then:

118 **INT. TVA - COMMAND CENTER - DAY**

118

Deadpool is watching the bank of monitors in the TVA Control Room. He's focussed on one specific camera: The PRISON TRUCK with Jonathan, Deadpool, and Wolverine.

It's the footage from the CCTV camera inside the spherical prison cell. It's grainy, but we can clearly see and hear Jonathan.

DEADPOOL

(to camera)

I'm tired of these absolutely vile rumors that I got Johnny killed. Let's look at the tape.

JONATHAN

In the void, you're either food for Alioth...or you work for Her.

*
*

DEADPOOL

Go on, Jonathan.

JONATHAN

And I'll tell you who "her" is... Cassandra Nova. A megalomaniacal psychotic asshole. A finger-lickin' dead-inside Pixie slab of third rate dime-store nut-milk and I'll tell you what she can do...

DEADPOOL

I'm listening...

JONATHAN

She can lick my goddamn cinnamon ring clean and kick rocks all the way to bald hell. In fact, I don't give a shit if she removes all of my skin and pops me like some nightmarish blood balloon.

(CONTINUED)

JONATHAN (CONT'D)

If the last thing I do in this god-forsaken cum-gutter of an existence is light that fuck-fox on fire, I still won't die happy.

*

DEADPOOL

Holy shit, girl. You crazy.

JONATHAN

That's right, Wade. I won't be happy til I've urinated on her freshly barbecued corpse and husk-fucked the charred remains while gargling Juggernaut's Jugger-nuts.

DEADPOOL

Wow.

JONATHAN

And you can quote me.

DEADPOOL

'Kay.

Deadpool turns back to camera.

DEADPOOL (CONT'D)

(to camera)

Got you, fuck face.
